"NO MANDATE" IS CLAIM AGAIN OF LIBERAL LEADER

Hon. W. L. Mackenzie King
Tells Quebec Audience
Premier Usurps Power.

ONLY GOVERNMENT WITHOUT ELECTION

Declares Canada is Suffering
from Extreme Attack of
Toryism.

(Continued from Page 1)
Developing his parallel, Mr. King
said Canadians were beginning to
discover wherein the liberties they
had previously enjoyed had been
deprived of the rights of a repre-
sentative parliament and a responsible
ministry.

Meighen a Usurper!

They saw the functions of govern-
ment "carried on by a usurper, who
exercises his authority, not in the
name of any power derived from the people,
but solely as the outcome of arbitrary
enactments and political might. They
see this usurpation of the authority of
government maintained through a
combination of political authority and
industrial plutocracy brought into
being by war conditions and fostered
through war necessities."

Canada, he said, was becoming
more and more impregnated with the
reactionary spirit and the perpetuation
of the militarist spirit by which it
seeks to support itself, and he pointed
to the results of the elections in
Yamaska and Medicine Hat as the
evidence of the voice of the people.

Save The Children

Mothers who keep a box of Baby's
Own Tablets in the house may feel
that the lives of their little ones are
reasonably safe during the hot weath-
er. Stomach troubles, cholera in-
fantum and diarrhoea carry off thou-
sands of little ones every summer. In
most cases because the mother does
not have a safe medicine at hand to
give promptly. Baby's Own Tablets
relieve these troubles, or if given oc-
casionally to the well child will pre-
vent their coming on. The Tablets
are guaranteed by a government anal-
ysis to be absolutely harmless to the
newborn babe. They are especially
good in the summer because they
regulate the bowels and keep the stom-
ach sweet and pure. They are sold
by medicine dealers or by mail at 25
cents a box from The Dr. Williams
Medicine Co., Brockville, Ont.

sisted of four classes, best three in

Warns Against C. O. D. Parcels

New York, July 1.—Persons who
have the habit of paying offhand for
parcel post packages delivered C. O. D.,
without taking the precaution or de-
termining something about the send-
ers, are warned by the Post Office De-
partment to control the habit.
Post Office inspectors began investi-
gating yesterday into the operations
of various persons who have been
using the mails to extort, one of them
a woman who at one time ran a beauty
parlor. The different persons have
all used the same system; sending
packages of small value at high prices
to persons whose names had been se-
lected with considerable care and who
were considered likely to pay first and
examine afterward.

Weddings

Baldwin-Cody
Centerville, N. B., July 1.—A very
pretty wedding took place at the
Centerville Methodist Church on June
22nd, when Miss Mary (Mallie) Kath-
leen Cody (niece of Mr. and Mrs. A.
C. Gibson) became the bride of Har-
old D. Baldwin of Chatham, N. B.
Rev. Hugh Miller performed the
ceremony, the double ring service be-
ing used. The bride entered the
church on the arm of her uncle to the
strains of Mendelssohn's wedding
march played by Miss Dorothy Ham-
ble, cousin of the bride. The bride
looked very lovely in a gown of seal
brown lace over brown satin, with pic-
ture hat to match and carried a beau-
tiful bouquet of American beauty roses.
After the wedding ceremony the guests
repaired to the home of the bride,
where a dainty luncheon was served.
Miss Cody will be greatly missed in
her home town, having been organist
in the Centerville Methodist church for
a number of years, as well as being
prominent in all musical circles.
Many beautiful and costly gifts were
received, among them being several
substantial checks. After an exten-
sive motor trip Mr. and Mrs. Bal-
dwin will make their home at Chatham,
N. B. The bride is a daughter of Dr.
Peter Cody, of Lawrence, Mass.

soothing, healing action was exactly
suited to my case." To those who
