OTTAWA, Feb. 11.

Last night the Premier entertained Edward Jenkins, M. P., at a club dinner. Nothing further has been received from British Columbia, telegraphic communication between Victoria and San Francisco having been cut off, leaving DeCosmos and the people to settle matters without outside advice. The latest case of pure "Reform" has been developed. On election day the ommittees of the three candidates for Parliamentary honors, in a certain Ward not ten miles from the Court House, agreed to get refreshments and to divide ongst themselves the bill. The Deputy Sheriff, the clerk, and others specially interested in the Ward, partook to their hearts' content, and it was considered one of the expenses of the election On making up the bills this one was found to amount to \$15.24, or, as it was put, \$5 and amount to \$15.24, or, as it was put, \$5 and MASTERS & PATTERSON, MASTERS & PATTERSON, 19 South M. The representatives of the two elected candidates, the next day, paid their part of the bill when it was presented, but the great "Reform" party ignored it entirely until bluffed into it by repeated dunning. It is said they have now consented to foot the bill whenever the finances will permit, but, meanwhile, the bills have been paid and the member of other committees are out of pocket.
