

The High School Primary, or Junior, or Senior Leaving, for H. S. Examination forms II., III. or IV., with Latin in each case is also accepted as a Certificate of Matriculation.

N. B.—This examination is recognized by the Medical Council and Colleges of Great Britain, provided the student has a certificate of having passed on Natural Philosophy, this subject being compulsory in the Mother Country.

College of Physicians and Surgeons of Ontario.

SECTION I.

MATRICULATION.

Everyone desirous of being registered as a matriculated medical student in the Register of this College, except as hereinafter provided, shall be required to pay a fee of twenty dollars and to conform to the following regulations :

1. Any person who presents to the Registrar of the Medical Council a certificate that he has passed the examination conducted by the Education Department on the course prescribed for matriculation in Arts, including Chemistry and Physics, and approved by the Lieutenant-Governor in Council, shall be entitled, on payment of the lawful fees in that behalf, to registration as a medical student within the meaning of Section XI. of the Ontario Medical Act.

2. Any person who before the 15th day of June, 1896, had not passed the examination in all the subjects prescribed for matriculation as aforesaid, shall be entitled to registration as a medical student on submitting to the Registrar a certificate that he has completed such examination by passing in the remaining subjects of such matriculation, including Chemistry and Physics ; but this privilege shall not be available on or after Nov. 1, 1899.

3. A certificate from the Registrar of any chartered university conducting a full Arts course in Canada, that the holder thereof has passed the senior matriculation of such university or the examination conducted at the end of the first year in Arts by such university, shall entitle such holder to registration. This provision shall remain in existence up to November 1st, 1899.
