A. E. O'Meara, Esq.,
Barrister, Solicitor, &c.,
Vancouver, British Columbia.

Dear Mr. O'Meara:

Your telegram referring to matters affecting the Allied Tribes has been received in the Prime Minister's absence from the city. I have had opportunity, however, over the week-end, of communicating its contents to Mr. King, who has asked me to let you know that he will have its representations brought immediately to the attention of the Honourable Charles Stewart who, as Superintendent General of Indian Affairs, will be in a position to have them given every possible consideration.

Yours faithfully,

F. A. MCGREGOR

Private Secretary.
