

Mrs. F. Wright of Oelwein, Iowa, is another one of the million women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

A Young New York Lady Tells of a Wonderful Cure:

"My trouble was with the ovaries; I am tall, and the doctor said I grew too fast for my strength. I suffered dreadfully from inflammation and doctored continually, but got no help. I suffered from terrible dragging sensations with the most awful pains low down in the side and pains in the back, and the most agonizing headaches. No one knows what I endured. Often I was sick to the stomach, and every little while I would be too sick to go to work for three or four days. I work in a large store, and I suppose standing on my feet all day made me worse. "At the suggestion of a friend of my mother's I began to take Lydia E. Pinkham's Vegetable Compound, and it is simply wonderful. I felt better after the first two or three doses; it seemed as though a weight was taken off my shoulders; I continued its use until now I can truthfully say I am entirely cured. Young girls who are always paying doctor's bills without getting any help as I did, ought to take your medicine. It costs so much less, and it is sure to cure them. — Yours truly, ADELAIDE PRAHL, 174 St. Ann's Ave., New York City." — \$5000 forfeit if original of above letter proving genuineness cannot be produced.

"THE SCHOOL FOR SCANDAL."

Mr. William Owen, who has made so favorable impression here by his performance of various Shakespearean roles has made a wide departure in the style of his performance by selecting Sheridan's famous comedy, "The School for Scandal," for his this season's production.
The comedy has not been seen here in years and has never been given a thorough production in this country outside of New York. It is beyond question the greatest comedy ever written, and but for the expense connected with its revival would be more frequently. Mr. Owen has not been sparing in making his production and a most complete performance may be looked for, exceeding any of his former efforts.
The date arranged for his appearance here is Friday evening, January 30th.

THE PRICE OF COAL.

U. S. Investigating Committee Begins Work.

Boston, Jan. 27.—The coal investigating committee appointed by the National House of Representatives began its work yesterday. Henry T. Shaffer, a salesman of the Sterling Coal Co., shipping over the Pennsylvania road, explained trade conditions. He did not think many small vessels are carrying coal at present, which in former years had been driven out of the business owing to low freights. He thought that the McCull resolution, suspending the coastwise law might relieve the situation in a measure, but most foreign vessels are not adapted for carrying coal, and it might not have much effect. Whitfield Tucker of Winchester asked the committee to request the presence as a witness of H. A. Channell of Stanstead, Que., a dealer, who is said to be buying coal in Pennsylvania and selling it in Canada at \$7.50 a ton.

COLLIDED IN A GALE.

Two British Vessels Damaged—No Lives Lost.

London, Jan. 27.—The British steamer British Prince, Captain Smith, from Antwerp for New York, was in collision during a southerly gale early yesterday 3 miles from Dungeness with the British ship Waterloo, Captain Fellows, from Iquique, Chili. In answer to distress signals a lifeboat was launched and stood off near the vessels, but her services were not required. The engine room and stokehole of the British Prince filled rapidly and she was run ashore. At high water the steamer was refloated, and, assisted by four tugs, headed for this port. The head gear of the Waterloo was carried away.

THE CUBAN TREATY.

The Time For Ratification Has Been Extended.
Washington, Jan. 27.—Secretary Hay yesterday sent for the Cuban Minister and with him signed a convention extending for a considerable period the time limit for the exchange of ratifications of the Cuban reciprocity treaty now pending in the Senate, which under the original agreement, expires Saturday, Jan. 31. Yesterday's measure is more in the nature of a precaution to prevent the loss of the present treaty in case the Senate does not ratify it this week. It is hoped by the Washington Government that it may not be necessary to transmit to the Senate today's protocol.

Tarte and Pacaud.

Montreal, Jan. 26.—(Special).—Although Mr. Tarte is out of the Government and says that he wants to be left alone in the practice of his profession, that of journalist, some of the Liberal French journals continue to attack him. Le Soleil of Quebec, of which Mr. Ernest Pacaud is manager, publishes an article to-day ridiculing Mr. Tarte, and pointing out the inconsistencies in his varied career. Mr. Tarte will remain silent, and his reply to Mr. Ernest Pacaud should prove the more interesting of the two histories.

Petroleum Municipal Nominations.

Petroleum, Jan. 26.—In the bye-elections for Councillors caused by the resignation of Messrs. Thomas Kelley and James Gamble, Messrs. F. Stewart, P. Pollard, E. Hawkins, R. T. Laine, M. Gorman, C. F. Reid, James McCutcheon, Alex. McQueen and W. Barre were nominated.
For School Trustees—Donald Cameron, Frank Riddell, Chas. Nelson and Geo. C. English.

DANGER SIGNALS.

No engineer would be mad enough to run by the flag which signaled danger. What the danger was he might not understand, but he would take no chances. It is different with the average man or woman. They attempt constantly to run by the signals of danger. Nature and that attempt costs thousands of lives every year. When the appetite becomes irregular or entirely gives out, when sleep is troubled and broken, when there is a loss of flesh, when there is a constant feeling of dullness and languor, Nature is hoisting the danger signal. The stomach and its allied organs are failing in their work and the body is losing the nutrition on which its strength depends.

Such a condition calls for the prompt use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and enriches the blood and builds up the body with sound, solid flesh.

"Your kindness to me I can never forget," writes Mrs. Josie E. Clark of Enterprise, Sicily, who had been in bad health for twelve years. "I had despaired of ever getting well, but I had heard of Dr. Pierce's Golden Medical Discovery, and I have taken six bottles of Dr. Pierce's Golden Medical Discovery, and my health is now good. You have shown me how to live, and I am now a healthy and contented person. In fact, I can't express half my feelings to you. When I first wrote to you I thought I could never be cured.
