

22. The grants of lands selected by the contractors hereunder shall be in fee-simple and shall include all precious metals and all minerals whatever, reserving only the royalties above provided for.

23. Provision shall be made in the Act incorporating the contractors company against any discrimination by such company in operating its railways between customers, whether by discriminating rates or treatment or otherwise, or by means of its steamships or other connections or otherwise.

24. Water available for hydraulic or placer mining on the contractors' lands, or on Government lands, shall be used by those mining on such lands under such regulations as may be established by or under the authority of the Governor General in Council for the purpose of securing an equitable and fair division and use thereof.

25. This contract shall be subject to the approval of Parliament.

In witness whereof this contract has been duly executed.

In presence of—
