## Outward Bound THE WILDERNESS CLASSROOM

**What is Outward Bound?**  
Outward Bound is a real life adventure. It is ordinary people doing extraordinary things, things that other only dream about. It's an experience concentrated living which lasts three or four weeks, but can affect you for the rest of your life.

Outward Bound is the accomplishment you feel relaxing on top of your mountain after working so hard to get there. It's the wonder of nosing your canoe into a shimmering lake after the longest portage you've ever imagined, bringing your kayak to rest at the end of the wildest stretch of white water you've ever seen.

Outward Bound is the joy of sharing and helping, and of receiving help yourself. It's experiencing the silence of wild places and sleeping under the stars. It's learning to rely on your own mind and body, muscles and wits, learning trust and respect others, and accepting responsibility yourself. It is a unique educational experience which leads to new understanding of yourself, your strengths and limitations. You discover that most of your limits are self-imposed.

Outward Bound is the simplicity of living with the minimum of equipment in wild country. It is the discovery of inner strengths achieved by extending personal limits. It is the joy of finding new levels of communication with others. Outward Bound is the chance to find out who YOU really are.

Outward Bound... an international educational movement with over 30 schools on 5 continents. The program includes mountaineering, kayaking, mountain rescue and extended mountain expeditions. 1979 Summer Courses begin April 30th.
