

SU seeks grant component

The Students' Union is asking the federal government to add a grant component above its current loan ceiling.

At its December meeting, Students' Council passed a motion asking the federal government to "increase the amount of aid available to students by adding a grant component above the current loan ceiling." The current loan ceiling is \$1,800.

"The amount of aid available is often not adequate. Since loans have been clearly shown to have a deterrent effect on students and potential students, we are asking that the extra funds be made available in the form of grants," said Tema Frank, SU vp external.

Alberta is currently the only province that does not have a grant component as part of its provincial student aid program.

ESSO CHEMICAL CANADA

We have opportunities for 1st and 2nd year Engineers to work as process operators this summer. We are particularly interested in Mechanical and Chemical engineers.

Our complex is located 30 miles northeast of Edmonton.

Process operators monitor production systems on an on-going basis. In our system, operators are also responsible for some preventative maintenance.

We operate on a team concept — each team has approximately 10 people. We have a 35 day work schedule with 18 days on shift (not consecutive) and 17 days off (not consecutive). Shifts are 12 hours in length.

This is a valuable opportunity for engineers to gain some practical knowledge in an industrial environment.

If interested, please send resume to:

WHO IS STUDENT HELP?

Student Help is a group of students who are concerned about people.

WHY IS STUDENT HELP?

Student HELP is to help you with your questions and problems, with what's bugging you or got you down. Student HELP is to explain a complex University. Student HELP is to share a good head-to-head rap.

WHERE IS STUDENT HELP?

Room 250 SUB, 432-4266. Come on up for a free coffee, or phone if you'd rather. 8 AM - 11 PM Weekdays, 5PM - 11 PM Weekends.

P.S. **STUDENT HELP NEEDS VOLUNTEERS.** If you are a warm, empathetic individual who is interested in doing what we do, we'd like to hear from you. **RIGHT AWAY.**

Student Help

We pay you to earn your university degree

and make you an officer.

Our plan puts men and women through military college or subsidizes them at a civilian university in Canada. We give you a salary, tuition costs, books and supplies, health care, and a month's vacation if your training schedule allows. And when you graduate, you have a contract for four years of employment at full pay. Interested? Ask us about you.

Applications close February 1, 1980, so don't delay. This could be the most significant career decision of your life.

We will subsidize you in:
All Engineering degrees
Arts
Pharmacy

Leading to training as a:
Pilot
Air Navigator
Naval Officer
Combat Arms Officer
Engineering Officer (in most fields)
Support Officer

**If you've got what it takes...
THERE'S NO LIFE LIKE IT!**
