

Unique MBA pairing catch, pitch together

Search the world over and you will experience extreme difficulty finding a pitching duo like Pat Cahill and Dave Puliss, minor atom hurlers for L-M Stevens in the Mississauga Baseball Association.

Both are reliable strong armed pitchers but their talent and relationship does not stop there.

When Cahill chucks, Puliss is his catcher and when Puliss starts on the mound, Cahill dons the catching equipment.

Unusual yes, but it does have its advantages. Both pitchers have the opportunity to watch each other closely and can detect when either of them is going sour on the mound.

They can confer frequently on how to pitch to a certain batter and when things go wrong, it's not unusual to see the players swap equipment during the game.

Their special technique did little good, however, as they met a hot Applewood B-R club and suffered a 15-7 setback.

Wayne Gedney went the distance on the mound for the winners.

Applewood B-R got a devastating grand slam homer from Ron Browne in the fourth inning but it was too little too late as Bloor Cartage hung on for a 10-9 triumph.

Winning chucker Bill Skilling got relief help from Gord Lindsay and Danny Cellis to preserve the two points.

Kirk Power is a powerful relief pitcher and Pete Tiveron likes to start out strong.

The pair compliment each other as demonstrated in their encounter with LPC Wholesale.

Tiveron started for LPC Rotary and struck out the first nine batters he faced. Later, Power took over and coolly prevented any comeback and maintained their 28-18 lead.

Both pitchers also combined for nine hits.

Peter Nuronho had four singles and a bases clearing triple while Gregory Smyth belted a three run homer.

ATOMA
Using 15 singles as the basis of their attack Cawthra Air Velocities bested Applewood Wilson's Gulf 34-14.

Lloyd Lariviere and Peter Ross each cracked three singles to lead the parade. Two-base clouts came from the bats of Dan Bid-discombe, Gavin Stewart, Tim Dyke and Joe Ritcey.

Danny Adams doubled for Applewood.

ATOMB
Mike Warren tripled and doubled for Forest Glen to pace the way when they defeated Cawthra A.N.A.F. 25-16. Barry Alderson, the starter picked up the victory.

In a losing cause, Wayne Piercey pasted a circuit clout.

Chris Michalakos playing behind the plate for the first time ever not only was a defensive standout but also knocked in the winning run in Forest Glen Moore's 13-12 thriller over Lorne Park Clarkson Park Royal.

Ron McCallum, Mike Walling and George Birt all doubled for Forest Glen.

Brent Lowe and Les Wilson lofted drives out of the park and LPC Sunworthy went on to beat Forest Glen Moore 20-13.

Mike Wallace also belted a homer for Forest Glen.

themselves scoring a dozen runs in the fourth inning to pull away to an 18-15 defeat of Forest Glen Building Centre.

Contributing key blows for LPC were Chris Walker and Robert Adams. Losing hurler Blake Balasovic homered.

PEEWEEA
Forest Glen Marconi stopped Applewood Cosmic 12-2. Winning pitcher Bobby Jones rapped out a pair of hits. Scott Adams, Bill Kennedy and Peter Dinger each drove in three runs apiece.

PEEWEEB
Bloor scored all their runs in the fifth inning to overcome a seven run lead and take Cawthra 8-7. Winning pitcher Rod Herbert gave up only four hits. Costly errors hurt Cawthra who earned doubles from Gary Shuber and Karl Burger.

Applewood Matchett scored four unanswared runs to defeat Bloor 4-3. Dave Wallace and Mark Healy doubled to pace the team at the plate. Mark Boyer singled twice.

For Bloor Gusty Dittamasso doubled twice and Matthews poked three safeties.

LPC No. 3 came up with five runs in their last at bat but still fell short in a 13-11 loss to Applewood. Mike Cantlon was the winner with relief from Steve Jones.

David Roglance tripled for LPC, the game's only extra base hit.

BANTAM A
Ray Ross slammed a triple with the sacks all occupied to drive home three runs in Forest Glen Civitan's 10-6 triumph over Bloor Monroe. Pat McNamara also doubled for the victors. Ray Ross earned the win.

Applewood Matchett scored four unanswared runs to defeat Bloor 4-3. Dave Wallace and Mark Healy doubled to pace the team at the plate. Mark Boyer singled twice.

For Bloor Gusty Dittamasso doubled twice and Matthews poked three safeties.

Tom Hind concentrates on his form as he competes for the Mississauga Track Club Saturday. Hind was second in the long jump but won the atom triple jump, 200 and 400 metre races.

GAF's make coach's prediction come true

Revenge, how sweet it is. It's one down and one to go for Mississauga Junior C GAF Athletics coach Dave Keldie.

Keldie had promised his loyal lacrosse followers that his charges would revenge earlier losses to Orillia and Bolton.

The strict coach kept his promise on one count Friday when his troops plastered Orillia 25-14.

The outcome was never in doubt as the hosts jumped out in front 8-2 after 20 minutes.

Ron Roy led the barrage with a pair while Jerry Overboom, Sergio Durigon, Bill Merkley, Dan Clark, Pat Schnur, and Mike McMillan were on target once each.

The two clubs battled on even terms in the middle tilt and GAF's took a 15-10 lead into the third.

Schnur, Overboom, Merkley, John Steip, McMillan, Tony Scherer, and Bob McMahon shared the scoring duties for Athletics.

A five minute lapse in the middle of the frame enabled Orillia to score five unanswered tallies to keep in contention.

In the final stanza, Keldie beamed as his troops out-scored the visitors 10-4.

Durigon and Steip did most of the third period damage as each forward bent the twine twice. Scherer, Dan McMillan, Overboom, Rusak, McMahon, and Clark rounded out the scoring with loners.

Sergio Durigon, one of the top shooters in the Junior C circuit, had eight assists to go along with his three goals for an outstanding 11 point night.

Jerry Overboom was not far behind as he counted three goals and five helpers.

Carol Hussy shines on mound in Malton Softball League

Being an outfielder for Carol Hussy would be a most boring experience.

The golden arm hurler for Team Four in the Novice Girls division of the Malton Minor Softball League has a habit of striking out 12 or more batters which makes little action for the rest of the team.

Of course, the outfielders don't mind picking daisies until Carol's finished her business every inning, so long as the team keeps winning.

Comforting is the fact that when the team is needed, it usually responds with heavy bats and sure gloves to guarantee the victory.

Carol's 12 strikeouts led her club to a 16-4 triumph over Team Six.

Heather Watley's grand slam homer enabled Team Three to slip by Team One 15-12.

Karen Garland went the distance on the mound.

In a tightly fought contest, Team 5 emerged 8-7 victors over Team 2.

Andrea Newton sparked on the mound and got help from Marjorie Lobach who slapped a home run.

SQUIRT GIRLS
Homeruns highlighted Team One's 31-4 trouncing over Team Three.

Colleen Price and Hazel Baily led the hitting parade with two homers each. Julie Gray, Andrea Myrie, and chucker Sandy Caidello blasted one homer.

In only their first year of organized softball, jubilant Heather Eno and Nicholl D'Andrea cracked grand slam home runs to lift Team Two past Team Four 19-17.

Diane Roberts posted the win on the mound.

Tracey Ferrrens fanned eight batters to give Team Four a 9-4 decision over Team Three.

Two crucial runs batted in on a homer by Kelly Martin gave Team Two a closely contested 10-9 verdict over Team One.

Dianne Roberts was the winning pitcher and gave up only a home run by Julie Gray.

BANTAM GIRLS
In a wide open hitting contest, Team Three outlasted Team One 24-19.

Heather Bird and Linda Brown both cracked triples which brought home three runs.

Sherry Kenny was the winning hurler.

Sharon Corti, Brenda Luc DiGiovanni knocked in

two runs also and Team 2 went on to win it 7-6.

Warren Newton went the distance on the mound for the winners.

PEEWEE BOYS
Team One's brother act of Steve and Alex Campbell combined forces but couldn't quite match the power of Team Three, who posted a 12-6 victory.

Steve did a commendable job on the mound and helped his own cause with a homer. Alex duplicated his brother's feat at the plate.

Chris Wright used a good combination of pitches to baffle the opposition.

Paul Gaffey went four for four at the plate and provided too much scoring punch for Team Five to handle.

Sharon Corti, Brenda Luc DiGiovanni knocked in

Vince Allen, Austun Hatfield, and Brian Gattewald led the batting barrage with a homer each.

BANTAM REP BOYS
Undefeated Malton showed exactly why they haven't lost as an avalanche of home runs pushed them past Team Four 10-4.

HELPING TAKE THE STING OUT OF BUYING A NEW CAR

How not to sell a car... The old saying "you can lead a horse to water but you can't make him drink" is so true, even in selling cars. Our advertising is sometimes on the humorous side but it is always FACTUAL.

Here we see Ron Whiffen show Terry O'Grady an old method, grab the customer, get him to sign, then always be busy when he wonders what he bought. The training here (and it is a continuing program) is just the reverse. Our steady customers and those the ads bring in are met as soon as possible, then the Salesman tries to find the customer wants, so if unsure he will show models, explaining them all, only when the customer has decided, does the order book come out. Then the salesman's job only begins, he must explain all details, and his promises are always written in, not verbal. **WE ARE PROUD OF OUR PROFESSIONAL SALES STAFF. THEY HAVE HELPED BUILD OUR BUSINESS**

P.S. COMING SOON OUR FINAL COUNTDOWN.

Bike race in States

The Steel City Riders, a club of competitive motorcycle riders from Mississauga travelled to the Zoar Moto Park in Springville, New York recently to compete.

The group had trouble finding the location, going about 160 miles out of its way according to a press release issued by the racing track.

What was a bright, sunny day turned a bit sour with a rainstorm and hail but the races continued. Several Mississauga riders, with their distinctive red streamers trailing from their helmets, competed.
