Sir,—

Noah was not present at the last Council meeting

I look for the fence matter to come up sooner or later

So I would propose you allow Mr Albert Tobias \$900 from Band funds as a Charity but the present he has had it on one occasion before and he is in need of assistance now

I enclose the vouchers should you take the other view

And kindly let us have an early reply as I held this two or three days longer owing to perplexity in the above situation

Yours Truly
