

Your address.

to be proud of. I would like

Let me congratulate to have the privilege some days
you first upon your wonderful of hearing your account of
success in Colorado. So then it viva voce for I have carefully
a brother-in-law in Cañon City read the pamphlets giving the
I have heard much about the plan finally agreed upon
frightful conditions, almost it was good of Mr. Rockefeller
hopeless I should think, prevailed to write you such a letter
then for a long time. To have but in my judgment it was
brought Kosmos out of Chaos not a particle too strong con-
was indeed an achievement sidring the tremendous issues
