MEMORANDUM

Tuesday,  
September 24,  
1929

FOR THE PRIME MINISTER:

Mr. Yates telephoned to say that there already had been a meeting of engineers regarding the Waterways matter in Toronto, and that it was proposed to hold another meeting in Ottawa on Saturday the 28th, to prepare matter for submission to the Premiers of Quebec and Ontario on the 2nd of October. Now that this meeting has been postponed Mr. Yates feels inclined to postpone the meeting of engineers to a later date which would be more convenient to all of them. Will the Prime Minister please express his wishes?

*P.M. says Yates plan O.K.*

*H.B.*  
Secretary.
