Dear Harry:

I am sorry I could not answer your letter of the 31st earlier. However, I send a telegram to you shortly after its receipt bearing on the most urgent feature, that is, the last paragraph. Hope you received it. I am following your advice absolutely as to the British Columbia situation. You are in charge there and will know better than we do here. Keep our friends united.

Yours very sincerely,

Hon. H.H. Stevens,
