Ottawa, June 27, 1914.

Sirs,-

I beg to inform you that the Department contemplates the putting in of some additional windows in the Norway House Boarding School and Hospital, the cost of same to be arranged by Mr. Chapman, Inspector of construction on the works

The additional work consists of two dormers in front of hospital and one window in rear, also two interior borrowed light windows on stair-case, and in school two windows, one lighting the engine-room and one the corridor.

This extra work is to be similar to the other work specified, and to be erected in a good, substantial and economical manner, and to the satisfaction of the Inspector and the Department.

Your obedient servant,

Asst. Deputy and secretary.

Messrs. Snyder Bros.,
Portage la Prairie,
Man.
