To Pro. I am Cpl R.C. Carter REASC com HQ.

I gave evidence at D/C's.

To D/C - Q. Matthew in a statement alleged  
he had done certain things on threat  
by you you would have him put out of  
Barry if he did not? A. There is no truth in  
it. So far I knew nothing of Matthew's  
dealings.

To Court. I had nothing to do with the  
Web belt <sup>210</sup> or <sup>213</sup> shirt <sup>(C10 + C2)</sup>. I never told  
accused Matthew had American goods to  
sell. I never sent a parcel which might  
have contained belt shirt or shoes.

To JA I have myself been under suspicion in  
connection with the matter which the Court is  
investigating. My room was searched by Police  
Matthew <sup>has</sup> made false statements about  
my connection with the affair.

R.P. 88(b) complied with.
