Their destruction cannot be accomplished be dimagogues. Miraboo, a Frinchman, wanst excited th' Frinch prolo-toory to rayvolt. What good came iv it? They made France a raypublic, that's all. But something must be done about th' thrusts. They must be destliroyed or they must not. How to do it. Th' answer is found in th' histhry iv Yale. Whin steam was discovered, she was nestlin' undher th' ellums iv New Haven. Whin th' tilly-graft was invinted, she nestled. She nestled two hundred years ago. She is still nestlin'. I don't mind tellin' ye, Hinnissy, that if I was a law which I'm not, I'd have to be pretty sick befure I'd call in manny iv th' doctors iv laws I know, an' as f'r American lithrachoor, it
