A BET DECIDED

The Chatham old boys, even when away from home, take an interest in the home town as is shown by a bet made between Ed. Garrison, manager of the Imperial Hotel, Brandon, Man., an old Chathamite, and his son, Eugene, a local boy. The two Maple City boys have bet that Chatham never pays a Grit majority until it handed out the goods to Archie McColl. Ed. Garrison has the Grit end of the bet. They have asked Mr. E. Chase to deal out and settle the matter for them. Garrison was an employee of the Banner under Sheriff Gessmull and was with the paper four or five years. Eugene Pettier and family and Tommy Fairbanks are backing Mr. Garrison. Mr. Garrison will win the bet if Chatham pays a Liberal majority to Archie Campbell in the Campbell-Killick election.

GOOD MAN GOING

Chief Fritchard has applied for the position of Chief of the Windsor Fire Department. There has been some trouble in Windsor and Chief Cheyne resigned. The border town is now advertising for a new chief. The salary is \$900 per annum, and Chief Fritchard stands a good chance of being chosen. Chief Fritchard is a rattling good man, one of the best in Ontario. He has both experience and ability and his departure would be a loss to the city. The Property Committee of the Council are anxious to keep the Chief, and in all probability they will offer him \$750 per annum to stay. He is now drawing \$600 per annum.

COLLEGE SOCIAL

Last evening in pursuance of the belief of the staff in the saying: "All work and no play makes Jack a dull boy" the students of the Canada Business College put away their books and gathered in the senior commercial room for a social time. Soon after eight some two hundred students and students had assembled and after a few minutes of social chat the assembly was called to order by the principal Mr. D. McLaughlin, who in a few appropriate words welcomed them.

Besides promenade, which was the feature of the evening, the following and much appreciated programme was given: instrumental solo, Miss C. Beatty, month organ recitation, Mr. W. J. Brownlee, reading by Misses Parquhar, Smith, Moore, Wells, Aitken and McIntosh.

Shortly before midnight, the music which was furnished by Deacon's orchestra, ceased, and all departed after having spent a most enjoyable evening. The dance is expected by the students that they will soon have another opportunity to meet in such a social manner.

SAD DEATH

After an illness extending over four months, Charles Wesley Wright died at his residence in this city to-day in his thirty-seventh year.

The deceased was a son of the late John Wright, who for many years was reeve of Dover, and the deceased was a member of the Township Council for three years. He came to this city two years ago as local representative of the firm of Frost & Wood, and remained in business until compelled to relinquish it owing to illness.

His wife, Lily, fifth daughter of the late James Stacey, of Dover, and two small children survive.

The deceased was a member of the A. O. F., and will be interred from his late residence, Brook St., on Monday afternoon at 1.30. They will proceed to the Victoria Ave. Methodist Church, where a funeral service will be held, and thence to Maple Leaf Cemetery.

Deceased had been suffering from pleuro-pneumonia. Mr. Wright was a very bright man and won the respect of all who knew him. He was one of the youngest men ever elected to the Council of Dover Township. Two years ago he moved to this city and has since been engaged in the implement trade.

Besides his family, Mr. Wright leaves one sister, Mrs. Elliott Hardy, Kent Bridge, and a brother, James Wright, Murray St.

THE CARNIVAL

The skating carnival held at the regiment rink last evening was a very pleasant and enjoyable event in every way. This is the second carnival which has been held by the regiment Non-Coms, and both have been grand successes.

There was a good crowd present last evening and the competition for the prizes was close and interesting. The judges were Mayor Cowan and Dr. McKeeough. They had a gathering of about 75 skaters in costume to pick the winners from. Among the many costumes worn by the skaters were those representing Poppy, Milk Maid, Bo-Peep, Fairies, Colored Gals, Sheenies, Melphisto, Country Jays and Peckers.

After much careful consideration, the prizes were awarded as follows: Best dressed lady—Miss Gage, gold locket. Best lady skater—Miss Ethel McDonald, brass clock. Best dressed gentleman—"Doc" Springer, watch fob. Comic gentleman skater and costume—James Trotter, best hat in Thornton & Douglas' store. Best boy skater—Harry Keller.

At the conclusion of the judging, the excellent skating was enjoyed until late in the evening.

It is forty years since Mr. McGarvin left Ontario, and he has promised to return and pay his relatives another visit before another forty years rolls around.

"It is queer," remarked J. F. McKeeough, "how easy it is to forget a man's name. Often people come in the office and one is at a loss for a name. A Ridgeway business man was in this kind of a dilemma one day but he was equal to the occasion. How do you spell your name? he inquired of his customer, just as if the man had a name of intricate orthograph. "S-m-i-t-h," deliberately spelled the unknown man. The business man drew a long breath and looked hurt."

An attempt was made last evening to break into Robert Cooper's book store. A pane of glass was broken in the door at the rear and entrance was gained into the back room. A pile of burned paper on a box showed that the burglars had not lacked illumination for the continuance of their work. A locked door barred entrance into the store. Something must have scared the burglars and they departed. About 12 o'clock, P. C. Dodson discovered the broken pane of glass and notified Mr. Cooper. An examination of the store, however, revealed the fact that the burglars had got no further than the back room. Nothing was missing.

OHIO BOYS WIN

The Christ Church Choir Boys will be able to sing well to-morrow. They defeated the Newspaper Carrier Boys at Hockey this afternoon by a score of 8-2. The Choir Boys proved that they not only can distance any thing in singing but they can beat any team of boys that comes along in hockey. The game was very much one-sided, as the Choir Boys proved themselves in hockey, as well as in everything else, in a class by themselves. They are now looking for more games and are prepared to defeat any boys' team in the city. There was a good crowd present at the game.

The following was the line-up:—

STOP SALE OF SUNDAY PAPERS

The Board of Police Commissioners met at the court house this morning and received a large number of applications for the position on the police force left vacant by the death of P. C. Dan McLean. No appointment was made for the present.

Rev. H. W. Roede, on behalf of the Lord's Day Alliance, addressed the Board, asking that some action be taken to stop the sale and distribution of American Sunday papers in the city on the Lord's Day. All the dealers had ceased, he said, with the exception of one dealer, and it was unfair to those who had stopped to allow one man to continue selling the papers. The commissioners promised to look into the matter.—St. Thomas Times.

NEWSPAPERS THE BEST.

The shoe business seems to be especially enterprising at the National Capital. A writer on this subject says: "The Washington shoe stores confine their advertising campaign to the newspapers. One or two of the largest houses have used other mediums, but appear to consider them of little value as compared with the daily papers."

NOT MUCH OF A PROSPECT.

Boy—Is a dollar a week all I am to get?
Superintendent—Oh, no; besides your salary, you will learn the business.
Boy—And when I learn the business, do I get more pay?
Superintendent—Oh, dear, no. When you are worth more we shall let you go, and take another boy and let him learn the business.—Boys' Transcript.

Provision is the foundation of civilization, and thrift the foundation of affluence.

The character that needs mending is hardly worth tinkering with.
