

SOME HISTORY about Typewriters

Modern and Ancient CHAPTER TEN

A Few years ago typewriters were used almost entirely for letter writing. It is different to-day. Their field of usefulness has increased many fold.

THE Underwood introduced typewriter bookkeeping, and the application of the typewriter to many special recording purposes.

THERE are over a score of special models of the Underwood for special use.

MANY firms use four times as many Underwoods for accounting work as they use for correspondence.

THE modern office uses Underwood systems—billing systems, order systems, bill and charge systems, etc., planned for their particular needs.

THE Underwood Condensed Biller will reduce your billing costs 50 per cent.

WHERE WILL YOU GO THIS SUMMER?

If you desire rest and recreation, why not try

"THE RIVER ST. LAWRENCE TRIP!"

Folders descriptive of the Thousand Islands, Rapids, Montreal, Quebec, Murray Bay, Tadoussac, the far famed Saguenay River, etc., on application to any Railway or Steamboat Ticket Agent.

For illustrated guide "Niagara to the Sea," send 4c in postage stamps to E. Foster Chaffee, A.G.P.A., Toronto, or Thos. Henry, Traffic Mgr., Montreal, E. & O. Navigation Co.

You can only buy one manure spreader with the Reversible, Self-sharpening, Graded Flat-Tooth Cylinder—and that is the Genuine Kemp.

Because of this Graded Flat-Tooth Cylinder the Genuine Kemp is at least one-third lighter draft than any other spreader.

There is less friction on the Flat-Tooth Cylinder, because the teeth are wide and graded. On that account only one-third as many teeth are required, which reduces the friction when the manure is passing through the cylinder.

The square or round teeth on ordinary cylinders are not wide enough apart and the manure backs up, chokes cylinder, causing heavy draft.

At least one-third
lighter draft
Genuine
Kemp
Manure Spreader

The manure cannot back up against the flat teeth, and because the flat teeth are graded they will handle and thoroughly pulverize all kinds of manure from the clear gum to the strawy material.

There are many other exclusive improvements on the Genuine Kemp. Our big catalog describes and illustrates them fully. Send for a copy and learn some new facts about manure spreaders.

There would be twenty times as many manure spreaders in use in Canada today if farmers realized the economy of spreading manure with the Genuine Kemp. The Genuine Kemp will pay for itself faster than any other farm machine.

Send to us for Catalogue 8 62 That's your first step. We are sole selling agents for Eastern Canada.
