

Don't Dodge Prosperity

The Manufacture of Concrete Building Blocks with an Ideal Concrete Machine is a sure way to prosperity in any locality. Not only are Ideal Blocks adaptable to any building purpose, but they excel all other materials in durability, appearance and fire-proof qualities. One man, without previous experience, can make Ideal Blocks so rapidly, and at so little cost, that all other materials may be profitably undersold.

IDEAL CONCRETE MACHINERY

Makes blocks in countless ornamental designs and natural stone effects. Embodies the only principle (face down) permitting the practical use of rich facing material with less expensive material in back of blocks.

Simple in construction. No springs, chains or gears. Practically everlasting and adaptable to any size within capacity.

Catalogue and valuable facts on Concrete Block manufacture free on application.

CHATHAM DUMP BOXES

HAVE SEVERAL very desirable features. They can be placed on any ordinary Wagon Gear. When the wagon gear is desired for other purposes, all you require to do is to remove the Box. The inside view shows how the load is dumped clear of the reach, and the inside half of the bottom protects the reach.

Loose earth, sand, gravel, lime or any other commodity of like nature can be dumped in one pile, or spread along as desired. The contrivance for dumping is operated by foot, so the driver has the use of both hands. Load can be dumped without driver leaving the seat, and the bottom can be drawn up into position while starting on the return trip.

A GREAT TIME SAVER

No teamster can afford to be without it. No contractor can afford to hire a teamster not using one of these boxes.

DROP US A CARD AND WE WILL BE PLEASED TO GIVE YOU FURTHER PARTICULARS, PRICES ETC.
