VOL. XLVIII, No. 32 GARDENVALE, P. Que., AUGUST 10, 1920 PRICE, 10 CENTS

## The Railway Case in a Nutshell

In 1916 the operating ratio for all Canadian railways was 68.9 per cent; for the year ended June 30, 1919, operating expenses exhausted 89.26 per cent of gross earnings; and the operating ratio must now be very close to 95 per cent.
