ATTEND THE BEST. Get the education that pays. The St. Catharines Business College and Phonographic Institute, established last January, has met with almost unprecedented success in both departments. The College Rooms are large, beautiful, light, and well furnished, and embrace the entire third story of Ontario Block. The course is eminently practical, and the instruction thorough. The Commercial Law alone is worth more than is charged for the whole course. It employs a larger staff of experienced teachers than will be found in any other Commercial College in Canada. It gives a Diploma in Shorthand as well as for the Business course. Gold and Silver Medals are also given in Shorthand. This College unquestionably stands at the head of Canadian Business Colleges. Send for Catalogue. W. H. ANGER, B. A., Principal, St. Catharines, Ont. 249-y
