

New Life --- New Strength

THAT'S WHAT YOU NEED

I wish you could know for yourself the wonderful effect of the galvanic current on weak and nervous men. I wish you could realize the health and happiness that will be yours when this wonderful force infuses every nerve and vein of your body as accomplished through my treatment. I have been curing thousands every year, and have come to believe that my method will cure any curable case.

I use electricity applied to the body by means of the world-famous Dr. Sanden Herculex Electric Belt, in a steady, invigorating stream during your sleeping hours. You get up in the morning feeling as if born anew.

Free Until Cured

Call, or write to me, and I will at once arrange to let you have the Belt on trial, not to be paid for until cured. No deposit or advance payment. Send it back if it doesn't do the work. Liberal discount for cash if you prefer to deal that way.

The world has no use for a weakling. Men must be strong to-day, or give way to those who are. There is no compromise. Strength means success. Weakness spells failure. Which will you be?

How strength is lost and how it may be regained, how to increase your earning power, how to be successful in business and popular in society; how to rid yourself of rheumatism, indigestion, lame back, etc.; how to be strong, vigorous, magnetic and happy, and make life a real pleasure; all this and much more is told and pictured in a neat little book which I am distributing free for the asking. It is sent closely sealed, without marks, to anyone sending name and address. No tiresome exercises or dope-laden drugs used.

Call, or write for one, to-day.

J. A. WATT'S SHORTHORNS.

Visiting the famous Salem herd of Scotch-bred Shorthorns, the property of J. A. Watt, of Salem, Ont., we found them, as they always are, in splendid condition—sixty head of the fashionable and good-doing Mildreds, Matchless, Marr Roan Ladys, Marr Stamfords and Cruickshank Lovelys, many of the big, thick, breeding cows, with a host of honors to their credit, won in honest competition with the best that could be brought against them. The herd is still headed by that massive 2,500-pound mellow bull, Jilt Victor (imp.), a bull which, as age advances, is proving a sire of a high order, many of his get now in the herd being show animals, fit to compete with the world's best, as future competition will show. Mention of a few of them will suffice. One is a red yearling heifer, out of Imp. Crocus, the dam of last year's Toronto grand champion bull; this heifer is a stunner, and will make the talent look some when she makes her appearance. Another is a roan yearling, out of a Stamford-bred daughter of the great Imp. Royal Sailor. This, too, is a wonderfully thick, soggy heifer; a high-class show proposition. Another is a roan yearling, a Marr Beauty, a right good one; but one of the very best is a roan, nine months old, out of Mina Princess, Toronto senior champion in 1908. This heifer is sired by Avondale, a son of the great Whitehall Sultan. She is thus not only right royally bred from champions on both sides, but is a coming champion herself. These mentioned are fairly representative of some fifteen, from 9 to 12 months of age. In young bulls on hand, there are eight, from 10 to 20 months of age. These, too, are of a type and quality that have had few equals as a lot, even in this herd, that has produced so many show bulls and renowned sires. A show youngster of a high order is a roan, ten months of age, out of Mildred 8th, Toronto junior champion, and dam of that famous sire of champions, Mildred's Royal. This young bull will certainly come to the front, as his low-down, thick, even type is the kind from which champions grow. Another extra-good one is a roan, twelve months old, out of the great show cow, Tiny Maud, and sired by the \$1,050 Matchless-bred bull, The Dreamer, a son of Mildred's Royal. This is an exceedingly thick, sappy young bull that cannot fail to be a great stock bull. Other good ones are a roan, thirteen months old, a Stamford, out of Daisy Stamford, the dam of the champion, Olea Stamford. Another is a red, ten months old, out of Olga Stamford. Bred as he is, from such noted show animals as Olga Stamford and Jilt Victor, his future as a show bull and sire is assured. Those mentioned are only a sample of the high-class quality and royal breeding of the lot.

TRADE TOPIC.

It is an obvious fact that certain names of firms and their products are indelibly engraved upon the public mind all over the world. One of these is that of "EPP'S'S," which is instinctively identified with cocoa. For more than a generation the world has been recognizing that Epp's's Cocoa is "GRATEFUL AND COMFORTING." The utterance of this phrase is associated with this particular cocoa—"EPP'S'S"—and this is not surprising, for it is composed of the highest-grade of cocoa and the finest sugar. It contains a remarkable percentage of cocoa-butter, a vitalizing substance which increases strength, and is an effective cold resistor. Children thrive on Epp's's Cocoa, and it is so easy to make.

Blood Was Bad.

From impure blood comes Pimples, Boils, Ulcers, Tumors, Abscesses, Festering Sores, Rashes, Constipation, Head-aches, etc.

Get pure blood and keep it pure by removing every trace of impure morbid matter from the system by using

BURDOCK BLOOD BITTERS.

Mrs. Fred. Biggs, Kingston, Ont., writes:—"I was completely run down, my blood was out of order, and I used to get so weak I would be compelled to stay in bed for weeks at a time. I could not eat, was pale and thin; every one thought I was going into consumption. I tried everything and different doctors until a friend advised me to use Burdock Blood Bitters. I did not have one bottle used when my appetite began to improve. I used six bottles. I gained ten pounds in two weeks. When I began to take it I only weighed ninety-three pounds. It just seemed to pull me from the grave as I never expected to be strong again. I will tell every sufferer of your wonderful medicine."
