**THE TONTINE INVESTMENT POLICY** of The North American Mutual Insurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.  
All Policies whether on Life or Endowment Rates, are subject to the higher charge in Premium Rates, in taking the "Tontine Investment" form.  
The extra benefits of this are conditions only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.  
Two things most desired in Life Insurance are the certainty of protection in early death, and profit in long life. These are combined in the "Tontine Investment Policy" of the North American Mutual Life Insurance Co., which also issues Annuities and all the ordinary approved forms of Life Policies.  
Agents wanted. Apply to

**CONFEDERATION Life Association.**

**THE FOLLOWING PROFIT RESULTS** in this Association will be of interest to intending insurers:  
Policy No. 615 issued in 1872, at age 30 for \$1,000 on the All-life plan. Annual premium \$30.80.  
At the Quinquennial Division on the close of 1876, the holder elected to take his profits by way of TEMPORARY REDUCTION of Premium, and has had the benefit of the same.  
This Policy-holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing five years \$978, equal to 46 2/3 per cent. of the annual premium.  
The cash profits for the five years are \$4283, equal to 41 per cent. of the premiums paid during that period.  
The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$205, equal to 12 1/2 per cent. of the annual premium.  
The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.  
The next Quinquennial Division takes place as early as possible after close 1881.

Simply miraculous is all I can say of the effect of Dr. Van Buren's Kidney Cure in my case. An elderly lady writes this from Antigonish, N.S., who had suffered from pains in the back for twenty years.

If a FEW GRAINS of COMMON SENSE could be infused into the thick waddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly accredited and healthful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes "good digestion to wait on appetite, and health on both."
