### "Old Age Pension"

To obtain Life Insurance is to take advantage of the surest preventive of poverty civilization has produced.

Some think of Life Insurance as benefiting others alone. The first idea is to protect dependents, but this is by no means the only benefit. There is no better way of caring for one's own future, no better "old-age pension" fund, the payments for which are largely at one's own disposal during the whole period of payment.

The Great-West Life Policies provide protection on most attractive terms. They are inexpensive, clearly-worded, liberal and profitable. Ask for information, stating age.
