IF you want to get the present high premiums on Cash Wheat, since high grades of old crop are exhausted, load your cars as soon as you possibly can thresh your grain, but be sure it is in fit condition to thresh. Advise us by wire or phone when you are loading cars, and we will quote you prices and give billing instructions to point where we can realize the most money for you.

Ship barley as fast as possible. Coarse grain crops are good everywhere and we cannot see anything to advance present prices on barley.

You will make no mistake in making your shipments to us. We have the **Experience** and the **Facilities** for best possible service.

Make drafts if desired for advances with Bills of Lading attached. We solicit a trial shipment.
