

New Jobs THIS IS FOR FARMERS Now Open

Guide Travelling Representatives -
command good salaries

Moving forward is the essence of Progress. Every business—every department of a business—needs real live enthusiastic men to build it. It needs men who go to the root and fact of things. Men who have the ability to smother personal feelings and plunge into that which is for the common good. Someone has truly said that while opportunity knocks at least once at every man's door, the party inside has no right to expect the panels to be kicked in.

Here Is Your Opportunity

To Earn a Salary of \$110 to \$150 per Month

We want to engage the services of several wideawake, intelligent and energetic farmers in Manitoba, Saskatchewan and Alberta for four months, beginning immediately. We want men who are thoroughly conversant with the many problems confronting the farmers of the West at the present time. Men who are enthusiastic and have intense belief in the Cause of Freedom for which The Guide is fighting. These men must be prepared to give us their full time. If they have a horse and rig the position will be even more remunerative.

The situations now vacant are as follows:-

Manitoba

Brandon District
Portage la Prairie District
Souris and District
Virden and District
Selkirk and District

Saskatchewan

Main line C.P.R. Moose Jaw to Maple Creek
Outlook Branch, C.P.R.
C.N.R. Saskatoon to Prince Albert
C.N.R. Regina to Antler
G.T.P. Saskatoon to Spy Hill

Alberta

Calgary and District
Edmonton and District
Medicine Hat and District

Any farmer who is a hustler will find this a splendid opportunity to earn a good salary during the slack season, and further the cause of the organized farmers. If he is a man who has been up against hard times himself, he will be all the better fitted for the job. It matters not whether he is located near a railroad or not; if he is a firm believer in Equal Rights he will surely make good.

The Farm Scale that Saves Money for Farmers

THE "RENFREW" HANDY TWO-WHEEL TRUCK SCALE

Guaranteed by the Canadian Government

- ☞ The Renfrew saves every cent of profit for the farmer on everything he sells by weight,—because of its absolute accuracy.
- ☞ It saves for him time and labor,—simply wheel the Renfrew to what you want to weigh.
- ☞ It saves for him because it is built to last,—and weighs everything from one pound to 2000 pounds.
- ☞ Does your scale do these things? If not, it is time to buy a Renfrew,—the farm scale built to suit your requirements.
