TORONTO, July 8.—Pressure is

Lake Superior. Showers and thunder-
storms have again occurred in most
places from the Rock Mountains to
Manitoba. Elsewhere in Canada light
scattered showers only are reported.

Forecast

Moderate to fresh northerly to east-
erly winds, fine to-day and on Thurs-
day and a little cooler.

It Was Handsome

Seven rinks of Dufferin bowlers jour-
neyed to Paris last evening and were
handsomely defeated.

Sanitary Sewer

A sanitary sewer will be laid on
Park avenue east between Rawdon St.
and the Gleebe property.

Building Permit

A building permit was issued this
morning by Building Inspector Ben-
nett for the construction of a brick
and concrete cottage at 164 Brant
Ave. by J. C. Steele.

To Open Tenders

A special meeting of the Township
Council has been called for to-day's
morning at 10 o'clock for the purpose
of opening tenders for the construction
of the Kenny bridge on the St. George
road in the township will be opened.

To-day's Batteries

row by the Brantford Salvation Army

Still at the Hospital

Robert Curran, the young laborer,
who fell off the new post office
building over a month ago, is still at
the General Hospital, but is able to
walk around. His recovery has been
slow but for the serious nature of his
injuries it is a wonder he is as well as
he is.

Poll Taxes Due

Additional notices for the collection
of poll tax are being sent out by Tax
Collector F. Benedict. There are a
very large number not paid yet and
if these are not forthcoming within a
few days summonses will be issued
and the delayed parties will have to
pay the costs of a court case, as well
as the tax itself. Some fancy that
they have to be a certain length of
time in the city to pay the tax, but
this is not the case, as a person has
only to be one day in the city to be
eligible for the tax.

Lacrosse Practice

The Intermediate Lacrosse team
will meet for practice on Friday night
at Agricultural Park. The team is
getting back into regular form after
their crippled condition of the past
week and will be in good shape for
the game with St. Mary's here on
the 18th inst. Some new faces will be
seen on the team at that game includ-
ing the Bumberry brothers from the
Indian reserve, who the London Tele-
grams were after this year but failed
to get. They should be a decided
advantage to the team.

Life Underwriters

The regular monthly meeting of the
Brantford Life Underwriters' Associa-
tion was held in the Canada Life
office on Monday. Preparation are
being made for the big convention at
Halifax, which will be held on July
28-30. Several local insurance men
will be in attendance. Strong resolu-
tions were passed in reference to the
attitude the association would adopt
toward non-members, and copies of
these will be forwarded to Halifax.
The local association is one of the
leading organizations in the country
and is doing much to improve the
standing of the business.

MAYOR SPENCE REFUTES SLANDER CAST AT HIM

What Happened the Night Before Election in the East Ward.

Mayor Spence has addressed the
following open letter to Mr. Joseph
Ham:

Joseph Ham, Esq., City:
Dear Sir,—Information has reached
me that on Sunday, the 28th day of
June, during the evening preceding
election day, Mrs. Ham telephoned to
the Chief of Police and informed him
that some wrong was being done or
suspected in polling subdivision 21, in
Ward 4, and that Mayor Spence de-
sired an officer sent down to stop it.
In consequence of this message
Police Constable Tyrell was sent
there, and reports that on his way
down he met you on Murray street,
and was informed by you that I was
driving about Subdivision No. 21 in
my automobile, running without lights
and taking up men in my car driving
them a short distance and setting
them down again; also that I was vi-
siting houses in Brock Lane and at-
tempting to intimidate voters.

I am willing to make allowances
for a certain amount of excitement
and consequent misrepresentation
during the heat of an election, but I
am occupying the position of Chief
Magistrate of Brantford, and I am
informed that these statements and
inferences drawn from them are wide-
ly circulated at the present time.

I have to say that on the evening in
question I was in Port Dover, and
arrived from there at the Overland
garage in company with Mr. S. F.
Passmore, Mr. George Yapp, Mr.
James Seace and Mr. George Mitchell
at 9.25 p.m. I drove my car from
there direct to my house and put the
car in the garage and went home and
was preparing to retire. At 9.45 I
was telephoned by Mr. Simmons, who
is a Conservative worker in subdivi-
sion 21, that a number of people were
about there and asking me to come
down. I drove down after some de-
lusion to the corner of Marlboro and
Rawdon streets, where the committee
room was, and there met a number
of Conservative workers and heard
their reports as to persons they had
been watching. I took Mr. Gee and
Mr. Squires in my car and drove
around several blocks and returned to
the corner of Rawdon and Marlboro
streets. I did not leave the car nor
did any one enter it except the men I
have named. The electric lights on
my car were burning all the time. I
advised those there to go home, as I
was of the opinion that each party
was simply watching the other. I
then drove to the Overland garage,
taking Alderman Bragg home on the
way. I obtained the supply of oil and
gasoline for the next day and then
went home, where I arrived at 10.45,
having been away, all told, one hour.
I did not leave my house again that
night, although I was again tele-
phoned to about 12.45 from subdivi-
sion 21, but did not think the matter
important, and did not go out.

I
