THE PROBS

Toronto, June 30.—Showers have occurred quite generally in Alberta and more locally in Saskatchewan and Manitoba; but the weather through-out the West has been for the most part fair and warm. From Ontario eastward, it has been almost fully fair and warm, but heavy rain has fallen during the night near Lake Erie and showers have occurred in Eastern Quebec and parts of the Maritime Province.

FORECASTS.

Moderate winds, warm and unset-tled with some local showers or thun-derstorms. Thursday, local showers early, then fair and warm.

MATERIALLY LESSENED

By Special Wire to the Courier.
 Cologne, Germany, June 30.—Dis-cussing the interviews of Chancellor Von Bethmann-Hollweg and Foreign Minister Von Jagow with Baron Bur-gan, Austrian foreign minister, the Gazette's Berlin correspondent says it is impossible to state positively as yet how the future policy of Rou-mania and Bulgaria, with regard to the war will shape itself. He asserts, however, that it can be said that the quadruple entente's hopes of military support from Roumania and Bulgaria have been materially lessened.

SAXON COURTESY HELPS THE ALLIES

British Officers Very Careful to Avoid Giving Offense to the French.

By Special Wire to the Courier.

British Headquarters, France, June 17.—Correspondence.—One of the first considerations of the British army officials is the avoidance of all fric-tion with the inhabitants of the occu-pied districts of France and mainten-ance of the most cordial relations with the French soldiers. A principal factor in keeping on good terms with the allied army has been the steadfast in-sistence on the courtesies of disci-pline.

Military etiquette for example de-mands that when a party of British officers are saluted by a British pri-vate only the senior officer acknow-edges the salute. When however, the salute is given by a French private the acknowledgement is made by all the officers. "The idea is," a staff officer explained, "that by this act of cour-tesy we daily show the French our consciousness that if we are their al-lies, we are also guests in their coun-try, and where the officers give the lead, the men are quick to follow."

Two Norwegian Ships Torpedoed

By Special Wire to the Courier.

London, June 30.—The Norwegian ship Cambus Kenneth, which sailed from Portland, Oregon, February 9th for Liverpool or Manchester, was sunk to-day by the German submarine U-39.

Thirteen members of the crew were landed. Eight other sailors, being Ger-man subjects, were taken aboard the submarine.

ANOTHER ONE
 The Norwegian Steamship Gjesjo, of 1,044 tons gross, was sunk by a German submarine to-day. The crew was landed at North Shields. The vessel was sent to the bottom by a torpedo.

The Norwegian Steamship Gjesjo was built at Trondheim in 1912. She was 226 feet long, 36 feet beam and 15 feet deep.

The ship Cambus Kenneth was a three master of 1,925 gross tonnage, and was built in Glasgow in 1893.

Late Wires

VALUABLE ARMS
 By Special Wire to the Courier.

Rochester, N.Y., June 30.—Jess Wil-lard, world's heavyweight champion, places a valuation of \$100,000 on the two arms which gave him the title at Havana. He made application to a Ro-chester insurance company yesterday for a one year policy in that sum, \$50,000 for each arm. He also applied for an accident travelling insurance policy for a smaller sum in favor of his wife. He was in Rochester with a circus.

SUPPRESSED BY POLICE
 By Special Wire to the Courier.

Prague, Bohemia, via London, June 30.—The newspaper Narodni Listy, leading organ of the young Czech party, has been suppressed by the police. There have been many reports almost since the war began of disaf-fection among the Czech element in Hungary and of a peace propaganda conducted by that party.

NEEDS ALL COTTON
 By Special Wire to the Courier.

Berlin, via London, June 30.—The military commandant of the Province of Brandenburg, in which Berlin is situated, has issued an order effective August 1, prohibiting the manufacture of fabrics wholly or chiefly cotton for nearly all ordinary purposes, such as articles of clothing, bed sheets, pillow slips and table cloths. The presump-tion from this order is that Germany needs all the cotton available for use in the manufacture of explosives.

36TH ON CORSIKAN.
 By Special Wire to the Courier.

Montreal, June 29.—The steamer Esau Point, carrying reinforcements from the Fifteenth Batt., Calgary, and Fifty-first, Edmonton, and horses, which sailed from Montreal, June 14, has reached England. The Allan liner Carcan reached an English port yes-terday. She carried the following troops: Thirty-sixth Batt., Hamilton, and reinforcements from Fifty-fifth of New Brunswick and the Thirty-fourth of London. She left Montreal on June 19.

CONTRADICTION SUCCESS.
 By Special Wire to the Courier.

Stuttgart, Wurttemberg, June 30.—The Wurttemberg Minister of War to-day announced that a French bi-plane on Sunday approached Fried-richshafen, where the Zeppelin hang-ars are situated coming from Con-stance. The machine was bombarded by anti-air craft guns and it turned back after dropping three bombs be-tween Lake Constance and shore town of Schmettenhausen and Ragershausen without doing any damage. The biplane returned to Switzerland where it was compelled to land and the aviators were arrested.

The French official statement issued on Monday last, said that on the morning of June 27 (Sunday) one of our aeroplanes succeeded in dropping with success eight shells on the Ze-pelin hangars at Friedrichshafen. Mo-tor trouble obliged the aviator to make a landing during his return. He succeeded in reaching Swiss territory at Rheinfelden.

A FEW PAIRS AT 75 CENTS.

LINER RUN DOWN IN CHANNEL

No Lives Lost, Though Her Port Side is Damaged.

By Special Wire to the Courier.

Deal, England, June 30.—The Hol-land-American Line steamship, Nieuw Amsterdam, having a large number of passengers on board bound from New York for Rotterdam, was run down in a fog by an unknown steam-er while anchored in the Downs to-day.

The port quarter of the trans-At-lantic liner was damaged but the ves-sel still is riding safely at anchor. This makes the eighth collision in the Downs within the past three days.

The liner Nieuw Amsterdam sailed from New York, June 15, with ap-proximately 1,200 passengers and a general cargo for Rotterdam. She should have reached Rotterdam if not detained en route, on June 26.

A ROYAL VISIT

By Special Wire to the Courier.

New York, June 30.—A London cable to The Herald says: The Queen and Princess Mary were greeted with a salvo of cheers from hundreds of wounded soldiers at the Duchess of Marlborough's matinee at the Palace Theatre yesterday. The Queen wore a dress of pale blue over white, with a white and black hat. The Princess Royal and Princess Maud, Mrs. Lewis Hartcourt and Lady Randolph Churchill also were present. Miss Laurette Taylor in the Marchioness Townsend's playlet "The Monk and the King's Daughter" received the royal applause.
