A Word About Stogas

It may be possible during dry weather for a farmer to get along with a pair of lacod boots on a chock' last boot, but for wet fall weather you want a good long boot, one that will wear and keep out water. We have such a boot, it is the best made boot in Canada, hand bottomed, with a short leg, for \$5.00. This season we can give you the same boot, only a shorter leg for \$3.50. Knowing these to be the best long boots made we contracted for a large quantity of them and have sole control of them. We guarantee every pair. FORFAR.

MONDAY, Oct. 3.—Rev. Mr. Jamieson preached in the Methodist church on Sunday.

Potatoes are nearly all rotten in this section.

Mrs. A. Kendrick of Athens is visiting friends here.

Mrs. DeWolfe of this place was instantly killed by a train at Lansdowne. She leaves a family of four sons and one daughter who spent the night proceeding next morning to Soperston station. Here he was taken in by Mr. Edward Johnson and sent to the Home, Brockville, where he was set to picking up apples. As soon as Mr. Best could get trace of the boy, Mrs. Best went to Brockville where she found the runaway, longing to get back. She pitied him and kindly brought him back, the boy now knows that Mr. Best lives in other places than Oak Leap.

On Wednesday evening last Mr. David Johnson was visiting at the home of Mrs. DeWolfe, a former teacher in Athens Model School. After the ceremony they drove to Smith's Falls, Ontario where they took the train for Ottawa. We extend congratulations.

We were all pleased to see the pleasure of Mr. Geo. Barry, our former teacher, around here last week. He visited the school Thursday afternoon. Paring apples and husking corn is all the rage in the evening now.

Mr. Geo. and Miss Lucy Godkin, of this town attended Ottawa Fair last week.

Mr. C. J. Johnson leaves on Saturday for Kingston to resume his study of medicine at Queen's.

Master Richie Johnson is seriously ill. Dr. Harte is in attendance.

Mr. Wm. Boyd is unable to work, owing to a felon on his hand.

FRANKVILLE FAIR.

Every Townsman a Big Success and an immense crowd of visitors. On Wednesday and Thursday last were the days on which we held the annual fall show of the Kitley Township Agricultural Society on their fair grounds at Frankville. The weather was favorable both days. The exhibits were more numerous than at any previous fair held here. Not a cloud checked the deep blue of the sky and a cool breeze imparted the stimulus necessary to an active participation in the pleasures provided by the managers of the fair. An exhibit in every department, never before was there such a large attendance of visitors, and surely never before was there a more enjoyable day spent at Frankville fair than on Thursday last. The directors had so arranged their programme that every event passed on and off the grass without any delay. Foot races, sack race, wheelbarrow race, three-legged race, lady riding, lady driving, carriage races, horse races, foot-ball match—all were so managed as to keep something of interest constantly before the large audience.

The exhibition was filled to overflowing. On the second day was one of the largest and finest collections of artistic fancy work ever shown in the county. Decorative and useful articles were hung and draped making a bewildering display of costly fabrics and rich colorings. The fruit—an excellent display—was shown on this day, and far better than in former years, and for reason of the removal of the honey exhibit to the main building was built none too soon, for every available inch of space above and below, was occupied. The display of white goods was worthy of particular notice, as it contained some fine specimens of needlework.

The ground flat contained the fruits of the harvest, the productions of the dairy, and a pyramid of beautiful flowers that were well worthy of a more advantageous position than they were accorded. Who danger of a famine in Kitley?—Haven't forgot how to make butter out here.—"Wonder how they raised those potatoes"—"Pretty good grain for old Ontario" were a few of the many complimentary remarks that reached our ears as we stood in this department. It was indeed a fine showing, highly creditable to the skill and industry of the farmers of the township.

Of course, there were a large number of carriages, wagons, and agricultural implements, for among good farmers these are recognized as a prime requisite. Prominent among the agents present was Mr. E. B. Brown of Addison, whose plows attracted considerable attention.

We had not the pleasure of inspecting the cattle, sheep and swine, they having been removed the first day, but are assured that as usual Kitley had a fine exhibit in those lines.

The genius of the patrons of the fair appears to find most congenial expression in the production of fine horses, and the exhibit in and out of the line was of a very superior character. All that fine breeding and careful grooming could do had been done, so that as the horses entered the lists they appeared models of equine perfection. The racing was a highly successful feature. The race was in splendid condition. Both the three-minute and free-for-all were keenly contested, the latter especially being a fine race.

WILKESBORO.

MONDAY, Oct. 4.—Several of our townsmen attended the Frankville fair last week.

Mr. and Mrs. Fred Kelly, who have been visiting at Mr. A. W. Kelly's, this place, left for Pembroke on Friday last.

Fifty or sixty years ago, when this place was called the Wilkes, who lived here could not be counted on the fingers of both hands, and it was rightly called Wilkesboro, but now, when there is only one Wilkes left, we think this place deserves a new name. If any one opposes this, or would like to suggest a name, we might tell the Reporter, as we think this column is open for what they have to say.

CHANTRY.

MONDAY, Oct. 3.—Misses Bertie and Lucy Chamberlain have returned home, after a visit to friends in Wilton and Harrowsmith. We are glad to hear that Miss Lucy is somewhat improved in health.

Miss Ida Knowlton, has gone to this place, hoping for treatment.

We are sorry to hear that Miss Jennie Ables, who has been in the hospital for some time, is much worse again. Her sister went to see her last week. Miss Ables is still very sick.

Miss Addie Knowlton is some better.

Mrs. Alfred has recovered, after a few weeks illness.

Mr. E. Copeland, of Lansdowne, is visiting his cousin, A. J. Copeland.

S. J. Alfred and wife attended the Ottawa fair and report a good time.

Our church was struck by lightning a week ago last Sunday night. A hole in the spire and a post for kindling wood was most all the damage.

A good many from here attended Frankville fair.

R. A. Sheldon and Wm. Smith, Harlem, expect to do a rushing business filling sites and so forth with their new food cutter, which will be a work at H. E. Eyer's for the first trial to-morrow.

FASHIONABLE WEDDING.

Father Kelly officiated at the Marriage of his Son, Mr. Geo. Kelly, to Miss Kelly, of Ottawa, on Sunday.

At 10.30 Tuesday morning, Oct. 4, Saint James' Church was the scene of a brilliant wedding, the contracting parties being Mr. E. A. Cox, a respected and able young man of Montreal city, to Miss M. A. Kelly, daughter of Mr. E. Kelly of Quebec city and sister of the Rev. Father Young, O. S. A. The bride was handsomely attired in a rich gray traveling costume and carried a bouquet of bridal roses. She was attended by her sister, Miss M. J. Kelly, while Mr. Kelly, brother of the bride, waited on the groom. The ceremony was performed by the Rev. Father Kelly, assisted by his brother Edmund Kelly who, accompanied by Miss Kelly, had arrived from Quebec to be with the bride on her wedding day. After the nuptial mass the bridal party proceeded to the presbytery where a dejeuner recheche was partaken of. The presents were numerous and costly, including many from friends in St. James' parish, where the bride is highly esteemed. Brockville, Cornwall, Montreal and Quebec. The choir, of which Miss Kelly was a leading singer for the past four years, was present and sang with great success. Miss Katie Flood rendered with marked ability Millard's Ave Maria. Miss Maggie Leeder presided at the organ, playing a beautiful wedding march and a waltz. The young couple left by the noon train on their wedding tour to Toronto and Niagara Falls. They will return to Montreal by the 10th inst, where they will reside in a comfortable and well equipped home. The groom's present to the bride was a diamond and costly bracelet, and to the bridesmaid a beautiful brooch. To the young couple we extend hearty congratulations with the prayer that their new life may be one of prosperity, peace and happiness.—Com.

THE LATE MRS. THOMAS O'CONNOR OF YONGE.

With the keenest feelings of regret we announce the death of Mrs. T. O'CONNOR of Yonge, Ont., Leeds County, which ad event took place in the early hours of Friday last, at the advanced age of 75 years. The deceased lady had enjoyed good health throughout her life till one month ago, when she was stricken with dropsy, which malady caused her unexpected death.

Mrs. O'CONNOR was highly appreciated for her sterling qualities by her neighbors as well as by those who during life had the happiness of her acquaintance. We have had a long and cherished recollection of this good, charitable and strictly virtuous woman. She was just such a christian woman as a parish and community can justly be proud to have, and we will ever keep a fond remembrance of her before our minds.

Up to the year 1886, when our stations were held twice a year during 65 years in Mrs. O'CONNOR's father's house and subsequently in her own. She was conscious to the last. Some moments before death, she summoned her three daughters who were in attendance, Mrs. P. Flood, Miss L. O'CONNOR and Mrs. J. McArdle, to her bedside, gave them her final instructions, then bade them retire the prayers of the departed. Her funeral took place from her residence on Sunday morning, Oct. 2nd, to St. James' church, and was the largest ever witnessed in this county. Before death she requested that her remains be interred in the parish cemetery, and we will ever keep a fond remembrance of her before our minds.

She was just such a christian woman as a parish and community can justly be proud to have, and we will ever keep a fond remembrance of her before our minds.

Up to the year 1886, when our stations were held twice a year during 65 years in Mrs. O'CONNOR's father's house and subsequently in her own. She was conscious to the last. Some moments before death, she summoned her three daughters who were in attendance, Mrs. P. Flood, Miss L. O'CONNOR and Mrs. J. McArdle, to her bedside, gave them her final instructions, then bade them retire the prayers of the departed. Her funeral took place from her residence on Sunday morning, Oct. 2nd, to St. James' church, and was the largest ever witnessed in this county. Before death she requested that her remains be interred in the parish cemetery, and we will ever keep a fond remembrance of her before our minds.
