RAI DEATH.—The news reached here this week of the death of Rev. G. F. Curry, of chronic cholera, which occurred at Tuni, Madras Presidency, India. Mr. Curry has been labouring for over ten years in the Canadian Baptist Mission at Tuni. He is well known in this place having spent some months last summer in Wolfville and arrived at his field of labor on his return, July 1885. He leaves a wife and three children, who are stopping at Fredrickton, N. B. Mrs. Curry is a daughter of the late James Armstrong of this place. We sympathize deeply with the bereaved family. No particulars of his death have been yet received.

JOURNALISM.—Mr. G. B. Dakin retired from the Windsor Courier with the last issue of that journal. We are sorry to lose friend Dakin from among us and hope to soon hear of him as engaged in newspaper work again. Mr. C. W. Knowles takes charge of the Courier this week and we believe intends continuing the publication under a different name. We await with some curiosity the appearance of the new paper, and judging from Mr. Knowles' former work in this line expect a new paper.

A large number of persons from Wolfville, Avonport and Lower Horton assembled in the basement of the Methodist church at the latter place, on Sunday evening last to listen to a discourse by the Rev. Robert Summerville, of New York, a native of this county. The reverend gentleman took for his text the 4th chapter of Romans, 4th verse:—
"Therefore we are buried with him by baptism unto death, that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life." It is almost unnecessary to add that Mr. Summerville did ample justice to the text and gave his attentive audience all they expected to receive—a thorough practical sermon delivered in a style well pleasing and with much earnestness.

THAT TIRED FEELING.—The warm weather has a debilitating effect, especially upon those who are within doors most of the time. The peculiar, but common complaint, known as "that tired feeling," is the result. This feeling can be entirely overcome by taking Dr. Norton's Burdock Blood Purifier. Sold by all druggists.

Acacia Villa Seminary, Horton Landing, has added to its staff of teachers, Geo. B. McGill, professor of agriculture, who will take charge of the natural science classes.

HIGH TIDES.—The tides have been unusually high this week. On Monday night about two rods of the Greenwich dyke was carried away. We are told the dyke at Avonport was also overflowed.

The Celebrated Electric Dyes are the most lasting of all colors. Warranted strictly pure. 10 cents at Druggist and Grocers.

ACCIDENT.—On Saturday last, as Mr. George Martin, of Saxon St., Cornwallis, was driving a pair of horses attached to a mowing machine, along the street in the direction of his dyke, the ring of the yoke gave way letting the pole fall to the ground. The horses suddenly backed, one of them coming in contact with the scythe, cutting the cords of his legs completely off. The horse bled to death in a short time.—CORRESPONDENT.

Owing to the dry season the price of paints have fallen. To arrive in a few days Leads, Oils, Colors, Glass, &c. I sell good lead for \$5.75. Please examine. Make up your orders for glass to keep cold winter out. I can give you fine figures.

OBITUARY.—In another column will be found notice of the death of Archibald McLean. Many of our readers in Wolfville and vicinity will remember his visit to Wolfville in the summer of 1883. He started for work as usual Saturday morning, July 24th, and was brought home at noon fatally injured, the effects of falling 27 feet, and died Sunday evening. He was liked by all who knew him. The floral offerings at the grave were many and beautiful. The deceased has relatives in Woodville and other parts of Nova Scotia.

Having recently imported a "Perfect" Sheep Sharpener, I am prepared to sharpen and put in first-class order shears and scissors of every description. Perfect satisfaction guaranteed. **J. M. SHAW**,

We would direct attention to the card of Miss Hitchens in another column. The opportunity of having her for a teacher of vocal music will no doubt be very much appreciated by the young people of Wolfville. Before returning to Wolfville Miss Hitchens will study with the popular musical instructor of Boston, Mrs. L. P. Morrill. We copy the following from an exchange which will be read with much interest in this connection:

"The reception last night by Mr. and Mrs. H. C. Van Hovenberg, at their pleasant home, 310 Lake Street, in honor of their daughter Maggie and her guest and musical instructor, Mrs. L. P. Morrill, of Boston, was a delightful event, and successful in every particular. Nearly a hundred of Eau Claire's best people were present and agreeable social festivities were maintained until a late hour. Mrs. Morrill favored the concert with a couple of solos which were highly appreciated and enthusiastically received, for the elegance and perfection of their rendition. Miss Susie Bullen added to the pleasure of the guests by gracefully executing a piano solo, which elicited high applause. The refreshments served in the dining room were beautiful and elegant, and keenly enjoyed by the guests. Altogether, the reception was one of the most charming of the season. The socially delightful society events in Eau Claire, highly complimentary to the ladies in whose honor it was given and creditable in every feature to the esteemed host and hostess."

TAKE NOTICE.—If your razor is dull, take it to J. M. Shaw's Barber Shop, and he will put it in first-class order for the small sum of 15c. 10

LETTER OF SYMPATHY.

The following has been sent to us for publication. We gladly give it a place:
Dear Mr. and Mrs. Schofield:

It is with feelings of deep sorrow and regret that we, the members of White Rock Division, extend to you and yours our heartfelt sympathy and confidence in your deep bereavement. It has pleased God to separate from your happy fireside and our circle of honor, Ida, whom we all loved and cherished. We cannot see why the most promising blossom should always be taken first, but God's all-wise eye is ever upon us, he knows and doth all things well. Brother, Sister, thy companion has left thee. All around you, dark as midnight, Hence the clouds of dim despair, But look upward, ever trusting, And behold the light is there.

Beloved sister, thou art come to rest; Thine is an early tomb; But Jesus summoned thee away; Thy Saviour called thee home. No more with us her tuneful voice, The hymns of praise shall swell; No more her cheerful heart rejoice When peals the Sabbath bell.

Bereft friends, let the rays of hopes bright sunshine
Penetrate thy weary heart;
And with courage strong and mighty
In life's contest take thy part.

We have lost a true and trusted friend. Her life was one of honesty and integrity. Always active, ever ready in the work she had to do. May we all remember that time is fast winning us away to that shore of endless day. God grant that we when called to cross that bourn from which no traveller returns may hear that welcome, "Well done thou good and faithful enter thou the joy of thy Father."

READ THE FOLLOWING TESTIMONIALS.
Weymouth, Sept. 14, 1885.

DR. NORTON: Dear Sir,—For twenty five years I have been afflicted with Salt Rheum, and last Summer my head and part of my body was one fearful sore. My husband employed at different times three doctors, which failed to do me any good. In August 1884 I commenced taking your Dr. O. W. Norton's Burdock Blood Purifier, and after taking three bottles, am entirely cured, as I have not the least symptoms of it since. The Blood Purifier has also cured Capt. Brooks of Dyspepsia and Liver Complaint.

Yours truly, Mrs. John Grant
ARTHUR BLACKBURN, of Newport writes: "For five years I have been afflicted with two Erysipelas Fever Sores on my legs. Have consulted all the doctors far and near. All medicine failed to do me any good until last fall I commenced to take Dr. O. W. Norton's Burdock Blood Purifier. After taking seven bottles my sores are entirely healed up and I am as well as ever."

"February 9th, 1886."
There is no medicine known to the medical fraternity that has cured so many of Liver, Kidney Blood and Nerve Diseases as the medicines that compose Norton's Burdock Blood Purifier.

Sold by most of the dealers in medicine throughout the country, ask by G. V. Rand, Druggist, Wolfville, at \$1.00 per large bottle.
