

THE ACADIAN.

WOLFVILLE, N. S., DEC. 13, 1918.

Editorial Brevities.

German destruction of papers and documents relating to German rule in Belgium will not prevent a thorough and searching investigation of the administration of that country during the four and a half years of German armed occupation.

Soldiers' Reception.

In response to the request of Mr. E. P. Brown in THE ACADIAN last week a number of citizens gathered at the Council Chamber on Monday evening at 8 o'clock.

The Mayor, Councillors A. V. Rand, Wm. Regan, Mr. Howard Barrs, President Red Cross Society, Mrs. C. H. Starr, President Daughters of the Empire, Miss Clara Chisholm, President Give Service Girls.

Reception Committee—Mayor Hales, Scout Master Brown, Councillor Rand, Entertaining Committee—President Red Cross, Daughters of the Empire, Give Service Girls, Pastors of the different Churches, Mrs. E. J. Delaney, B. O. Davidson.

Peace Prices No Let-Up For The 'Y.'

A sample of what many women in the old country have done, and are daily doing for Canadian boys or leave is told by Mrs. George Davidson, one of the most unselfish and effective Voluntary Workers the Canadian Y. M. C. A. in London has had during its operation of the Little Theatre and the Heaver Hat.

This interesting work of directing boys on leave and assisting them to reach whatever point in the British Isles that they fancy, has since the reference given by Mrs. Davidson been expanded into a large and important work by the Leave Department which has its main office in the Beaver Hat.

The Leave Scheme, as it has been organized by the Y. M. C. A. has been carried further and Red Cross and other agencies have been opened at local clubs and the visiting offices in London.

The central co-ordination centre at these centres has greatly contributed to the welfare of men on leave.

A Suggested Memorial.

DEAR SIR,—I read your editorial entitled "Our Memorial," published in THE ACADIAN of November 29th, with pleasurable interest and am greatly surprised that three weeks have elapsed and the Mayor or other public spirited man has apparently given the matter no attention.

I think your suggestion that the Mayor call a public meeting of citizens at an early date at which the matter may be freely discussed to be a good one.
