Suggestive Questions on the Sunday School

Lesson by Rev. Dr. Linscott for the International Newspaper Bible Study Club.

Feb. 7th, 1909.

Time and False Brotherhood. Acts 1:22 to 2:11.

Golden Text: Lying lips are an abomination unto the Lord; but they that deal truly are his delight. Prov. 12:22.

Verse 22. Are all who are one with God, always one with each other, that is of one heart and one soul?

Should a Christian consider that what he possesses is his own?

Would it be either wise or desirable, that Christians should in this day, have all things in common?

Was it God's plan, for them to have all things in common, in that day, or did they allow their love to run away with their judgement?

Verse 30. What is the secret for witnessing for Christ with "great power?"

Verse 31. Speaking from experience and observation, how many honest, industrious, God-fearing men are there, that "chuck" any necessary thing in this life?

Is a church under obligation, to provide for the necessities of the poor in its jurisdiction?

What ever may have been the case in that day, would it be wise or folly, in this day, for the members of the church to sell their possessions and hand over the money to the church?

Can a person be a Christian, who does not hold his property subject to the orders of God for its disposal?

Will a Christian be as glad to give his money to the command of God as to receive money from God?

Is faithfulness to God a sure cure for shortness of money?

From this account, do you think that they sold literally all their possessions, or only their real estate?

Verse 35. If Barnabas had sold one half of his estate and handed it to the proceeds of it, or had sold it all, and brought one half the proceeds, if the community did not need any

more, and if he told the facts, would he have been just as well pleasing to God?

Verse 12. What prompted Ananias and Sapphira to sell their property?

In what class do you put the sin of pretending to be better than we are?

Why did they pretend that they had given all the proceeds of their property to the apostles?

Why is it that pride is such a terrible sin?

Verse 34. Why was the lie of Ananias a lie to the Holy Spirit?

From Peter's remarks, do you conclude that the selling of their property and the disposition of the proceeds, was wholly a voluntary matter?

Verse 36. Was the death of Ananias, judged by the standards of that day, a just penalty for the sin?

What good did the punishment of Ananias and Sapphira produce then and since?

Verse 41. Is there any reason to think that the woman, wanting to appear big in a community was the instigator of this lie and let her husband into it?

What is the difference between the sin of Ananias and Sapphira and a man who gives a sum to God's cause, saying it is all he can afford when he can afford more?

Suppose a man gives less than he ought to give to the cause of God, does he commit, practically the same sin of Ananias and Sapphira?

(This question must be answered in writing by members of the club.)

What should be our attitude in the distribution of our earnings to God's cause?

N S SENATOR

AGAINST TREATY.

WASHINGTON, Jan. 27.—Senator William A. Clark today opposed ratification of the China-Fin boundary waterway treaty, when it was called up for consideration in a special session of the Senate.

He spoke at considerable length against the treaty on the ground that it does not sufficiently safeguard the interests of the United States in the waters of the St. Mary's river. In view of his objections, the treaty went over without action being taken.

"Good" Loaf

"Happy" Cook

"Poor" Loaf

"Unhappy" Cook

BOTH DUE TO THE FLOUR CHOSEN

The "unhappy" cook chose a flour which had the strength of its "gluten elements destroyed by the 'electrical' bleaching process" and therefore couldn't "rise to the occasion." Result: "Wretched" loaf.

The "happy" cook chose "North West Gem" flour, which is made of the highest quality Manitoba No. 1 Hard Wheat. It is not "purified" by "electricity." Each wheat berry is thoroughly "washed" and "cleaned" by a special "new" process of our own and used in no other mill. Result: A flour which makes the lightest, whitest, tastiest, most wholesome loaf.

Ask your dealer for "North West Gem." Accept no substitute, because there is no flour milled that will make such "good" loaves.

A St. John Stone Mason Cured of Rheumatism

By "Father Morrissey's No. 7" After Seven Doctors Had Failed.

647 Main St., St. John, N.B.

FATHER MORRISSEY MEDICINE CO., LTD.

I am writing to tell you I have been a victim to Rheumatism for several years, and have been treated by seven doctors without finding any permanent relief until I got Father Morrissey's medicine. It has cured me so I am able to do my work and find fun as well as ever in my life.

Yours truly,
JOHN CRAWFORD.

Rheumatism is caused by sluggish Kidneys failing to take the Uric Acid out of the blood. The whole system becomes loaded with poison, which gathers in joints and muscles, causing agony at every movement.

"Father Morrissey's No. 7" Tablets act directly on the Kidneys, stimulating them to vigorous work. They dissolve the Uric Acid in the blood and free the whole system of the poison. Then, of course, the Rheumatism leaves. Price 50 cents at your dealer's or from Father Morrissey Medicine Co., Ltd., Chatham, N.B.
