SPECIAL MEETING TOWN FATHERS.

Chatham—Red Bank Subsidy Can't be Obtained From Ottawa.

SEWER EXTENSION.

Lively Debate on Bill Board Question—Overdraft Reduced to \$24,000.

A special meeting of the Town Council was held in the Town Hall on Monday evening. There were present: His Worship the Mayor, and Ald. Belyea, John Clark, T. A. Clarke, Falconer, McMurdo and Russell.

His Worship read a communication asking for what sum per square yard the town council would agree to lay a granite sidewalk in front of the post office property. He added that he had since seen Mr. D. W. Waterbury and signed an agreement with him to have the sidewalk on Pleasant and Henry streets laid at the actual cost not to exceed \$2.25 per square yard. Mr. Waterbury also agreed to recommend to the Public Works Department the placing of a similar sidewalk in front of the armory.

Communications were read from W. S. Loggie, M. P. re Dominion subsidy for the John Russell Co's steamer "Rustler," stating that he had brought before both the Trade and Commerce and Postal departments Messrs. Russell's claims for subsidy but had absolutely failed to induce either departments to make a grant. Filed.

Communication was read from R. A. Lawlor re Miss Murphy's claim against the town for damages sustained from defective sidewalk. Mr. Lawlor asked the council to defer compulsory collection of Miss Murphy's taxes until such time as he could meet them in consultation. Filed.

Communications from the Union of Canadian Municipalities were received, one inviting the Council to send a delegate to the Annual Convention to be held at Port Arthur, Ontario, August 13th to 16th, and the other urging the early payment of the annual fee of ten dollars.

On motion it was resolved to lay these communications on the table and ask for further information.

Communication was received from Amelius Jarvis of Toronto re some \$300 accrued interest unpaid on bonds.

On motion the communication was filed.

Communication from Albert Hickey asking to be relieved from taxes for the years 1903, 1904 and 1905, as he was not living in town those years, was, on motion, referred to committee on petitions.

The Mayor reported that as the town was receiving only three per cent. on their deposits in the bank and had to pay five per cent. for their overdraft, he and the town treasurer had that day paid off \$6,000 of the overdraft reducing the latter to \$24,000.

Ald. McMurdo reported for Board of Public Works committee stating that (1) to lay a ten inch sewer pipe from John Ferguson's residence to the Adams school would cost about \$165, and (2) recommending the purchase of a car of cement for sidewalks.

On motion of Ald. T. A. Clarke

QUEBEC'S LIBEL SUIT.

The libel suit brought against Oliver Asselin, editor of Le Nationaliste of Montreal, by Hon. Jean Prevost, minister of colonization, mines and fisheries in the Quebec government, in the course of which Baron de L'Epine of Belgium, a witness for the defence, testified that Hon. A. Turgeon had stipulated with him (L'Epine) that the Belgian company L'Epine represented must pay one dollar per acre for colonization lands of which price seventy per cent. was to go to the provincial treasury and the remainder to an election fund, resulted in a disagreement. The jury stood six to six.

and John Russell it was resolved that Committee be authorized to construct the sewer by contract, work to be completed by August 15th.

On motion it was decided to order a car of cement.

The question of appointing an Inspector to see about taps that are allowed to waste the water of the town was discussed, but no action was taken.

Progress was reported concerning the preparation of plans for a new coal shed.

Ald. Falconer complained that he had not been consulted about the construction of the circus billboards, which were closing the entrance to the public slip. He understood that Ald. Russell, another member of the Park and Fire Committee, had not been consulted.

The Mayor said that he himself had, upon receiving \$25 more for a license than had ever before been obtained from a circus, authorized the erection of the board, and would again, under similar circumstances, do so.

Ald. John Clark, chairman of the Park and Fire Committee, said that he had not been consulted either in the matter, and that he felt the slight so keenly that he thereupon tendered his resignation as chairman.

Ald. McMurdo moved that the resignation be accepted. This motion was not seconded.

Ald. A. Clarke moved that the resignation be not accepted, and his motion was seconded by Ald. Falconer.

Ald. John Clark and Falconer spoke on the matter.

The Mayor left the chair which was taken by Ald. Belyea. He claimed that the slip was under the jurisdiction of the County, but that if any department of the council had anything to do with it it was the Public Works Committee.

Ald. Clark contended that the slip which is closed by the bill boards was part of the Park, the whole of which, as well as the land on which the town hall is situated, belongs to the county. As long as the County allows the town to use County property as a park, control of that property properly belonged to the Park and Fire Committee.

Ald. T. A. Clarke's motion was adopted.

Ald. Belyea gave notice that at the regular meeting in July he would move a bye-law imposing a license upon each pool and billiard table and bowling alley, etc., in town.

OPPOSITION OPEN THEIR CAMPAIGN.

J. D. Hazen and James H. Crockett Spend Several Days on The Miramichi.

BEGIN TO ORGANIZE.

A Party Caucus Held In Newcastle Saturday Night.

Messrs. J. D. Hazen, leader of the local opposition, and Jas. H. Crockett, of the Fredericton Gleaner, visited Newcastle, Millerton, Chatham and other places in this county last week in company with Mr. John McKane of Bridgetown. On Wednesday the three gentlemen visited Millerton, where Mr. James Robinson, ex-M. P., resides, and, we presume, thoroughly discussed the political situation with that veteran campaigner.

On Thursday, the Edward Sinclair Lumber Company's mill at Bridgetown was visited. Mr. McKane shut down the works and addressed the men on the political outlook, closing by introducing to them Mr. Hazen, who then spoke to them at some length.

The same day Messrs. McKane, Hazen, Crockett and Robt. H. Armstrong visited Chatham, calling on the Opposition leaders there.

On Saturday evening a meeting was held in Mr. Crockett's room in the Miramichi Hotel, at which, besides the above named gentlemen, W. A. Mott, ex-M. P. of Campbellton; D. Morrison, and John Morrissey, M. P. P.'s, and others of Newcastle were present.

The opposition are hard at work organizing their following in the county, and it behooves the Government to look well to their own standing if they would win four seats in Northumberland at the next election.

TIMELY RESCUE.

The seventeen months old daughter of Mr. and Mrs. Peter Dutcher fell over the wharf yesterday afternoon, and was rescued in the nick of time by Mr. Frank Masson. The child had been in the water about two minutes and was nearly gone. Dr. Nicholson happened to be passing at the moment, the girl was taken out of the water, and by prompt measures saved the little one's life.

At the residence of the father of the bride, on June 5th, by Rev. A. D. McCully, Albert M. Coughlan, of Blackville, to Rebecca E., daughter of Henry W. Smith, of Teteagouche, Glou. Co.
