Hamilton and Batty Beaten  
by Tail Ears

AND SAINTS BE LONDON.

The Hamilton Teamplay Could  
Not Touch Frisk Pitching.

SAILOR SHARKEY WPS RHULIN.

Our Johnny the Only Young Favorite  
at Port Erie Yesterday—Big Entry  
List for the Toronto Dominion Day  
Regatta—The International League  
Race Throws Closer Every Day.Inability to hit the ball was the  
cause of Hamilton's loss by Port  
Huron yesterday. The Hamilton  
team played a very poor game  
and were the main reason for Port  
Huron's victory. The Hamilton  
team was not good enough to shut Hamilton  
out without a run if they had used  
good judgment in running bases still.  
The team could not win. Larson  
was in the box for Hamilton, as an  
experiment. It was his first game  
after being laid up for six weeks  
with typhoid fever. He was put in  
largely because Bats arm is not  
right yet, and management  
wanted to save Brad and McCann  
for the big game.Domination Day. Ison's work was  
a while his stretch lasted. A  
three-base hit and single were scored  
against him in the first, but the three-  
base runner should have an out, or a  
single at best. A six was made in  
the second and a single and double in  
the third. A scratch hit in the fourth  
and a single in the fifth were the  
visitors got—seven full-up to the  
time he gave out. The seventh hit  
could easily be scored as he was "all  
out," and after giving three chances  
making an error all having a hit  
made off him he retired and Congal-  
ton took his place. The bases were full  
when Congalton went in, with no  
hands out. Another error on balls and  
an error helped the home make runs  
and the third out could not get any  
seven men had scored. Two runs were  
made off Congalton the eighth by  
frisk hitting.Hamilton got two runs to first in the  
first inning. Congalton on an error  
and Schirral on ball both were put  
out trying to steal second. Sliding  
into second seems to be a forgotten  
science among the amateurs. A run  
would have been made in the ninth to  
make a shut out, if Haggerty, after  
going to third, tried to score on an  
error by Tybald as was thrown out  
plate. Score:

SAINTS BEAT COCKEYS.  
St. Thomas, June 30.—The home  
team turned the tables on the Lon-  
don aggregation here yesterday.  
The game was a slug-fest, and  
the locals had decidedly the best  
of it, knocking Clarke out of the box  
in the third. He was hit by a line  
drive, and he also was hit numer-  
ously. No less than two home runs  
and three three-base hits were  
scored off his shoes. McElvaine, who  
pitched for the locals, also was hit  
hard, but managed to keep the hits  
scattered. Buss's sharp work at  
the initial base was the feature. The

INTERNATIONAL RECORD.  
Yesterday's ball games had a good  
effect on the International League  
as a whole, although a victory for  
Hamilton would have been a fine  
thing. All the teams are nearer to-  
gether now than they ever were  
before, and the championship struggle  
is getting more interesting every  
day. The standing is:

THREE GAMES TO-MORROW.

There will be a great baseball struggle  
at Dundurn to-morrow, when the  
leaders of the league will meet. Mc-  
Neerney will be here to umpire and  
nearly all Hamilton will be out to  
see the game. The morning game will  
be begun at 10 o'clock and the after-  
noon games at 2 and 4 respectively.  
Gordie Bradford felt fine after his  
efficient hitting victory on Tuesday  
that he wanted to pitch again yester-  
day and says he can take two days  
to-morrow's games if necessary. Mc-  
Caun is also in fine form and is also  
willing to go in for two games. Bak-  
er's arm is coming around all right  
after his rest since last Saturday, too.

NOTES OF THE GAME.

We want the next four.  
Frisk has no right in a little  
while.  
The Hamiltons are about due to be-  
gin hitting again.Haggerty should be shifted to the top  
of the batting list.  
Two Hamilton men thrown out at  
second could have saved themselves by  
sliding.Bay City and Hamilton each lost  
three out of four to the tail end of the  
league yesterday. The Hamiltons are stand-  
ing climbing the international per-  
centage ladder, side by side.Port Huron and Saginaw are stand-  
ing at the Saginaw-London games in London to-  
morrow and Saturday.Pitcher Miner, of the New York  
State League.  
The ex-Toronto twirler Pontz was  
hit very freely in his first attempt in  
the box in the New York State  
League.

H. B. C. MEDAL RACE.

F. H. Skeritt still holds the Ham-  
ilton Bicycle Club medal.  
He rode last evening to hold it, he hav-  
ing been challenged to race by Harry  
Tolton, who was unable to beat him,  
however. George Mackie and Thos.  
Allan also started in the race, but  
they finished third and fourth re-  
spectively in both heats. The dis-  
tance was a half-mile and Skeritt's  
time for the two heats was 1:05 and  
1:12. He was paced in the first heat  
and was last in the second. Tolton  
made him ride hard to win the second.H. Leggett was starter and F. A.  
Pussner judge. The race took place  
at the Jockey Club track.

PORT ERIE RACES.

Buffalo, June 30.—Sixty-nine horses  
ran yesterday in the six races, and  
the public could pick only one winner.  
That was the popular horse of the  
track, Our Johnny, who came from  
behind in the stretch and beat Storm  
King a head in the mile race. The  
Canadian horses Rideau and Ruth  
Black were well played in the first  
two races, and their supporters took  
a lot of money out of the ring. In the  
first race Mangrove fell and broke a  
leg at the head of the stretch and  
was retired.The Tyrant-Baby colt, Tyrba, led  
all the way in the fourth race, and  
beat the rest to the finish. Jim Mc-  
Cleary, a couple of lengths. The three-  
year-old Ten Pins, with a light-weight  
was never in trouble in the mile  
and a half. Mario with the sixth race  
in a drive from Jess, who led the  
bunch into the stretch. Marietta fell  
back in the stretch and the home  
attendance was the largest of the  
meeting.Either Hayco or Tragelion will be  
sent up from New York to run the  
Canadian Sportsman Handicap on  
Dominion Day. It is worth \$1,500,  
and the distance is seven furlongs.  
Hayco's weight is 125 pounds and  
Tragelion's 114. McGloose has been  
engaged to ride. Results:

New York, June 30.—There was a  
slim attendance at Sheepshead Bay  
yesterday, the poor card being no at-  
traction for any but the regulars.  
Only three horses started in the  
Pansy Stakes, the last race on the  
card, with Kingdon as the favorite.  
Stoken on Sir Hubert beat him out  
in the last sixteenth.RULED OFF AT ST. LOUIS.  
St. Louis, Mo., June 30.—Four fa-  
vorites and two heavily played second  
choices won at the fair grounds yester-  
day. Richard Ferris was ruled  
off the turf for running up a horse  
and not making good his run up.GRANNAN'S SET BACK.  
Chicago, June 30.—Two favorites,  
King Barleycorn and Dave Tenney,  
won at Washington Park yesterday.  
But so many good things were put  
over the plate that the bookmakers  
lost. Riley Grannan, who took all  
kinds of bets on King Barleycorn, was  
the heaviest loser.DUKE COLLINS' CRICKETERS.

RUELLIN KNOCKED OUT.  
New York, June 30.—Tom Sharkey,the sailor pugilist, of California,  
knocked out (Gus) Rueellin, the Ohio  
giant, in less than one round last  
night, before the Greater New York  
Athletic Club at Coney Island. Rue-  
llin's defeat was accomplished in ex-  
actly 2 minutes 17 seconds, and as  
soon as the referee had declared Shar-  
key the winner, the sailor ran across  
the ring and shook hands with Rue-  
llin, who had been carried to his cor-  
ner. Rueellin was still in a groggy con-  
dition when Sharkey grasped his  
gloved hand and was unable to reply  
to his conqueror's remarks, which  
were uttered in an apologetic tone.  
Sharkey then rushed to the ring side,  
and, leaning on the ropes, shouted:  
"I am now ready to meet Fitzsimmons,  
Corbett, McCoy, or any other man for  
the heavyweight championship of the  
world."

HORRORS OF THE KLONDIKE.

Story of One Who Left Montreal  
Well Equipped.

BACK A WORN AND WEARY MAN.

Montreal, June 29.—The following  
story of Klondike experience is worth  
recording. Mr. U. Danseman, of the  
Grand Trunk station in this city,  
in company with 27 other men,  
the whole forming a party of the  
Klondike, had been in the territory  
sharing one purse and one hope, for  
the Klondike fever was at its height.  
Mr. Danseman lived for some time in the  
United States. His faculties had been  
sharpened by contact with strenuous  
conditions. He was regarded, in some  
as the leader of the expedition.A worn and weary man, with a  
beard of indefinite growth, and bag-  
gage soiled and attenuated, reached  
the Grand Trunk station yesterday,  
and accented Mr. Danse, the agent, in  
accents which expressed defeat and  
hopelessness. This was Mr. Danseman,  
who had managed with great diffi-  
culty to return. He had not seen the  
Klondike, but he has lost considerable  
money and baggage. He has seen  
horses and mules by the hundred float-  
ing on the Steamer River. He had to  
leave the country of the Klondike, and  
provisions of his party by the waters  
of the same river, upon whose banks  
the stores were laid in fanned sugar,  
and which, after the hundreds of  
the waters which carried the goods  
away, disclosed nothing but pebbles.Mr. Danseman described the desper-  
ate struggle of his party, who were  
men in canoes before his eyes, the  
engulfing of horses on the route, and  
abandonment of the same, the awful  
scale of the route, the loss of the  
tenderfoot who had no experience, and  
know nothing of what they had to pass  
before the eyes of the Klondike. He  
became missing. He does not know  
what became of them. In view of the  
misery he witnessed, of the tragic loss  
of life, animal and human, of the pos-  
sibilities of worse to come when his  
objective point was reached, Mr. Dan-  
seman determined to retrace his steps.  
He found that the steamers were  
charging exorbitant rates to those who  
desired to return.

INCENDIARY AT MITCHELL.

John Parr Admits He Arranged to Fire  
His Building.Mitchell, Ont., June 29.—The firemen  
were at 2 o'clock this morning called  
out to a fire in the rear end of an  
empty store in the Water block. The  
blaze was checked in time. An investi-  
gation revealed the fact that the bot-  
tom boards and part of the roof had  
been removed along one side of the  
room and the space stuffed with  
shavings saturated with coal oil. The  
floor was also covered with shavings  
over which oil had been poured. A  
number of blocks of wood were found  
with small pieces of coal set in. In  
the centre, showing by the hundreds  
means the fire had been ignited. John  
Parr, the owner of the building, and  
who has for some time been sus-  
pected, was arrested, and a warrant  
was issued for his arrest. He was  
arrested and heard before Judge  
McGregor this afternoon. He  
acknowledged having made the ar-  
rangements, but denied that he started  
the fire. The house was insured for  
\$2,000. Parr will be kept in jail  
until Thursday morning to await his  
trial.Queen Victoria has appointed Lord

## Commercial Matters.

Thursday, June 30.—The supply of  
general produce was not large on the  
Central market this morning, but as  
the attendance of buyers was also  
small prices were, for the most part,  
unchanged. Strawberries sold at 80  
cents to 21 a crate. Black currants  
brought 7 cents a box and red cur-  
rants 3 1/2 and 4 cents. Cherries sold  
at 65 cents for 12-quart baskets and  
gooseberries at 3 cents a box were  
small. Butter brought 15 cents a pound  
and eggs the same price per dozen.  
Green stuff was abundant at the old  
prices.

THE GRAIN MARKET.

There were no changes in prices on  
the local grain markets, and receipts  
were small. White wheat sold at 70 to  
77 cents a bushel; red, 80 to 82 cents;  
oats, 31 to 32 cents; rye, 42 cents,  
and peas, 48 cents.

TORONTO FARMERS' MARKET.

June 29.—The receipts of grain on  
the street market here today were  
small. Oats and peas were firmer.  
Dressed hogs were easier.  
Wheat—Steady, one load of red win-  
ter selling at 80 1/2-81.  
Barley—Steady, a jag selling at 34c.  
Oats—Firm, two loads selling at

POISONING SUSPECTED.

The Case of John Boyd, Alleged to Have  
Been Kicked by a Horse.Guelph, June 29.—The remains of  
the late Mr. John Boyd, which were  
removed from the Northwest and in-  
terred in Elora cemetery, were taken  
away on Friday last, exhumed by  
Dr. Wallace, of Alma, and Drs. Rob-  
ertson and Paget, of Elora, in accom-  
pany with instructions from Crown  
Attorney Peterson. At the time of  
the death it was reported that the  
young man had been instantly killed  
by a kick from his horse, but now  
it seems the friends fear foul play and  
that the deceased was poisoned. Al-  
though the corpse was most carefully  
bandaged about the head and face,  
the friends being told it was impos-  
sible to view the face, the doctors found  
upon examination that there was not  
the slightest mark upon the body,  
and no reason for such restrictions.  
The stomach, liver and heart were  
sent to Toronto for analysis.
