The Justice will return to the Island this week. The schooner General Middleton, owned by McDonald, McDonald & Co., of Scotia, is reported lost.

Mr. Kinn, U. S. Consul, and Mrs. Kinn, left on Monday morning on a visit to the United States. Does are again making havoc among the sheep. Some farmers on the South- West Road lost over twenty last week.

The large Mollie and barkentine, owned by Pease Bros. & Co., arrived here on Monday evening. Mrs. Bann has been appointed Principal of Upper Prince Street School in the place of Mr. Hollis, resigned.

For the remainder of the season the Prisoner of Water will remain on the Island between Summerside and Point St. Charles. The Canada Gazette contains the announcement that Charlottetown has created a separate fish inspection district.

His Grace Archbishop O'Brien returned to Halifax on Saturday morning. Bishop Rogers left for Chatham same day. Mr. Edward Roche, Legislative Librarian, returned on Sunday last with a very pleasant holiday spent with his son in Boston.

Joseph Cook lectures to-night on the "Seven Modern Wonders of the World." The subject to-morrow night is "Does Death End All?"

Mr. Edwin Clay of Dundas, has been appointed Sub-Inspector under the Scott Act for King's County, vice Mr. Andrew Mooney resigned.

Francis Wiggins, with his Boston Com- pany business, is on his way to St. John. We hope he may find time to visit Charlottetown.

We understand that during the first of the season the Northern Light will run between Georgetown and Pictou, after which she will try Scotia.

The brigantine Arctica, Capt. Trainor, owned by Messrs. Longworth & Matheson, arrived at Bristol on Monday in 48 days from Buenos Ayres.

MARSHAL FLYNN, who went to Moncton and St. John in the name of the fugitive Robertson, returned home by the St. Lawrence on Sunday evening.

Several crossings are very convenient, but when they are covered with three or four inches of mud, we might as well be walking in the middle of the street.

At Brookton, Mass., recently, the 2.40 racing race was won by the bay gelding "Ned Haalan" in 2:31, 2:33, 2:33. This horse was once owned in Summerside.

We are much pleased to learn that the Charlottetown Company of Engineers have carried off the prize in the Engineers' competition for the Dominion.

The large cargo ship arrived on Monday morning from Liverpool with a cargo of salt, making the run in the extraordinary short period of 17 days.

LARGE numbers of persons daily visit Senator Howland's office to inspect the survey and listen to his explanations of the scheme. They invariably go away satisfied.

Mr. Wm. McDonald of Pannure Island, had on exhibition last week in Georgetown, six potatoes grown by him- self, which weighed 17 lbs., the largest weighing 5 lbs. 10c.

WHAT reports to be a portrait of Senator Howland appears in the last Montreal Weekly Star. The worthy Senator has a good ground for action against the publisher.

This Senator says it is feared that a fatal shipping disaster occurred off Cape North during the recent storm, as on Monday a large quantity of lumber was washed ashore.

The body of Mr. Peter Trainor, of Johnston's River, who was drowned four weeks ago this evening, was found this morning by Capt. Best of the West Front C. Boat, near Hickey's wharf.

Star crossings are very convenient, but when they are blocked by teams standing across them, as so often happens at the crossing from Boer & Co.'s to the Market House, we might as well have none.

LIEUT. COLONEL McNEIL completed his inspection of our Island militia this Friday and returned to Nova Scotia on Saturday morning. We learn that he expressed himself highly pleased with the proficiency of the force.

We regret to announce the death, after a very severe illness, of Mr. Benjamin Hooper, a useful and highly respected member of the community. His bereaved family have universal sympathy in their affliction.

BOSTON MARKET: Eggs, market strong and receipts well up. P. E. Island 23 to 24 cts per dozen, and potatoes 40 to 45 cts per bushel. Mackerel market dull—no demand for Provost stock and prices mostly nominal.

The death is announced of Col. Carpenter, the father of Mrs. W. A. Worden, wife of ex-U. S. Consul Worden of this city. Col. Carpenter spent some time here visiting his daughter in 1883, and made many friends who will bear his death with regret.

For the last two nights the city has been in total darkness, the contract with the Gas Company having expired, and that corporation being unwilling to renew it except on terms considered arbitrary by the City Council. We hope no time will be lost in introducing the electric light.

At the Ranger police court on Thursday, William McDonald and Daniel McMillan, P. E. Islanders, were sent to jail for fifteen days each for drunkenness. We were under the impression that under the Malins Prohibitory Law no liquor was sold in Bangor. If these two gentlemen had served a life they would be long right where they lived, but every man in St. John and Bangor who happens to get over the bay in a P. E. Islander.
