Obituary.

THOMAS LONG, I. S. O.

An estimable citizen, in the person of Mr. Thomas Long, has entered into his rest and we record with regret his passing, which occurred last evening at his late home on Prescott St. The deceased, who was in his eighty-ninth year, was a native of Shelburne, Bedfordshire, England, but seventy years of his life was spent in Newfoundland. Many years ago he managed the business of C. F. Bennett & Co. at Riverhead. In the seventies he took the position of clerk in the Agriculture and Mines Department where he soon won the position of First Clerk by his industry and ability. In 1898 he was appointed Deputy Minister, which responsible position he occupied with efficiency up to a few years ago when he retired. He was known to have a remarkable memory, and searching the records was scarcely ever resorted to by Mr. Long when asked for information about land grants, mining claims or other office details. After 40 years of active and faithful service he received from the King the Imperial Service Order. Of late years he was a sufferer from gout. He had his faculties up to the last. His wife predeceased him a quarter of a century ago. He is survived by two sons, Mr. Alan Long, Surveyor, and Mr. William Long, and six daughters including Mrs. Pope, Mrs. P. F. LeMessurier and Mrs. E. LeMessurier and 16 grandchildren. Thus closes a life of usefulness and one which was well spent. The funeral takes place to-morrow afternoon.

Hr. Grace Notes.

Friday night and Saturday morning's heavy sea was the worst experienced here for a number of years. The tide ran very high, over the wharves in many places. The public wharves at Caplin Cove and Bear's Cove were demolished and swept away by the fury of the sea. While Mr. Andrew Kennedy was endeavouring to save Bear's Cove wharf a fierce sea smashed the wharf under him and carried him off. His son, Clarence, rushed into the water to save his father when the next sea kindly threw both up on the shore.

In the inner harbor so high was the tide that several of the stores on the waterfront were flooded and considerable damage done.

Early on Saturday morning snow began to fall and continued all day, freezing at night, thus giving a fairly good sleigh path.

The contemplated Skating Rink for Harbor Grace is destined to become an accomplished fact. Mr. Robert Lee, of the firm of Tetford and Lee, carpenters, is willing to undertake the work if he can secure the patronage of our townspeople. He has already received a guarantee for a number of season tickets, and others who have not seen him had better do so at once so as to give him more vim for his work. We hear the work will likely begin this week. We also hear that there is a little amount in the bank placed there by the young men who operated the open air rink a few years ago, and this will likely be handed over to the new company. Success to the venture, and pleasant times to the lovers of the health-giving exercise.

Harbour Grace proper is to elect its Road Board on Thursday next. The meeting for the purpose according to the Act, is called by W. A. Oke, Esq., Stipendiary Magistrate. It is to be held at the Court House and will begin at 10 a.m. on that day. It is hoped that a very large gathering of electors will be present and that the very best Board it is possible to get will be secured. It is generally understood that a Board elected by the people will work well. Let us all attend.

The city auctioneer that visited Harbor Grace last week did not strike the "biz" he expected. Better luck next time.

The Hilda R., Capt. W. Yetman, arrived from Gibraltar this forenoon after the good passage of 16 days.

CORRESPONDENT.

EVERYDAY ETIQUETTE

"Will you please tell me if I should serve at the right or left of a person at dinner?" asked Peggy.

"If you were serving dishes from which the person is to help himself, stand at his left; but if you are placing food before him, stand at his right," replied her friend.

An Economical Novelty

An Inkwell that is Dust and Air-proof, and that will save 75% of your Ink expenditure. Saves its cost in six months. For sale at the Office Supply Store, City Club Corner. Why not call and examine it?
