NEW RAILWAY PLAN.

WASHINGTON, D.C., Sept. 2.
Private ownership and operation of
railroads in a number of regional sys-
tems under strict government control,
with strikes and lock outs of railroad
employees prohibited, is the plan for
permanent railroad legislation sub-
mitted to the Senate to-day by Senator
Cunningham Chairman of the Interstate
Commerce Committee.

COLLECTING VIEWS.

LONDON, Sept. 2.
The Chronicle has been collecting
an interesting series of views on an
increase of output from labor leaders
in the country. These men insist
that the profiteer must first be dealt
with. Despite increased wages the
workers are getting relatively small
recompense for their labor.

RESTRICTIONS LIFTED.

WASHINGTON, D.C., Sept. 2.
Practically all restrictions against
trade with Hungary were lifted to-day
by the War Trade Board. It was an-
nounced that license for the export
of American made goods to that coun-
try would be issued freely on all com-
modities except those of a strictly
military nature and that imports to
the United States would be practi-
cally unrestricted.

JOINT CONFERENCE IN OCTOBER.

WASHINGTON, D.C., Sept. 2.
President Wilson to-morrow will
send out invitations for the proposed
conference between labor, capital and
agriculture for some time in October
it was learned to-day at the White
House.

BULGARIAN TERMS.

PARIS, Sept. 2.
The Peace treaty to be offered, Bul-
garia, says the Temps, contains an
article by which Bulgaria will bind
itself to accept future decision by the
powers with regard to Thrace and the
Aegean Sea.

REFUSES TO ACCEPT.

PARIS, Sept. 2.
Rumania will not sign the peace
treaty with Austria, according to In-
transigent, because of a clause in-
troduced at the formal request of the
American Delegation, concerning
ethnic minorities. Rumania also
takes exception to a clause regulating
treaties, commerce and railroad rates,
the Intransigent says considering
that it would be undignified for her
to accept it. The newspaper adds that
the resignation of J. J. Batiano is im-
minent.

IN THE CANADIAN COMMONS.

OTTAWA, Sept. 2.
Copies of the Peace Treaty and
documents relating thereto were tabled
in the House this afternoon by Sir
Robert Borden. The speaker read a
telegram he had received from Presi-
dent Paderewski of Poland expressing
his best wishes for the prosperity of

Canada on the occasion of the laying
of the foundation stone of the new
tower.

WAKING UP ROMANIA.

PARIS, Sept. 2.
The Supreme Council to-day dis-
cussed the failure of Romania to
make written responses to the Coun-
cil's notes. It is likely the Council
will send a representative in the near
future with an emphatic note demand-
ing an immediate response by Rou-
mania to the Council's communica-
tions.

ITALIANS MASSACRED.

BELGRADE, Sept. 2.
Numbers of Italian soldiers have
been massacred in severe attacks by
Albanian clansmen according to the
Politika of this city. The remainder
of the Italian troops retired toward
Durazzo and other strong points.

PETROGRAD TO BE ATTACKED.

BERLIN, Sept. 2. (via London).
German reports from Riga declare
that General Gough, of the British
Army, has proclaimed to the popula-
tion of Petrograd that an attack is
about to be made upon that city. The
reports quote the proclamation as
containing that as soon as Petrograd
has been freed from Bolshevik tyr-
anny, food will be sent.

CARDINAL MERCIER'S MISSION.

PARIS, Sept. 2.
Cardinal Mercier, who leaves to-day
for the United States, has been en-
trusted with a delicate mission in
that country by the Holy See, accord-
ing to the Journal. The newspaper
says that the Cardinal will lay be-
fore President Wilson his views con-
cerning the League of Nations.

NEW BRITISH CABLE LAID.

RIO JANEIRO, Sept. 2.
The British cableship Colonial ar-
rived here Sunday, after completely
laying the new cable, from England
by way of Ascension, St. Vincent and
Fayal. The steamer laid sixteen hun-
dred and fifty nautical miles of cable
in thirty-one days.

TO USE GERMAN DYES.

WASHINGTON, D.C., Sept. 2.
The importation of a six months' supply
of dyes from Germany for Amer-
ican manufacturers will be allowed
under a ruling, made to-day by the
War Trade Board. Manufacturers
have been requested to file statements
with the Board showing the total
quantities of dyes needed for the six
months beginning October first.

TO ACCEPT OFFICERS' ADVICE.

WASHINGTON, D.C., Sept. 2.
Partial returns from the strike vote
now in progress among the railroad
shopmen indicate, union officials said
to-day, that the men will accept the
advice of their officers and leave the
matter of the strike in their hands.

pending the result of Governmental
effort to reduce the cost of living.

BRITISH DESTROYER TORPEDOED

LONDON, Sept. 2.
The British destroyer Victoria was
torpedoed and sunk in the Baltic Sea
on Saturday Aug. 30th, the Admiralty
announced to-day. Eight of the crew
are missing.

Work Horse Parade.

Final arrangements were made yester-
day for the Work-Horse Parade,
which is to be held this afternoon at
3 o'clock.

Horses and carts, or carriages, may
be either decorated or not, as com-
petitors please; they must be clean and
smart in any case. The carts or car-
riages must be those ordinarily used
in work. A reasonable number of the
family of competitors may ride in
their carriages or carts if so desired.

The Parade will assemble on the
South side of Water Street at the
various points as stated herewith:
Class 1, Division A.—Heavy draft
horses—between General Post Office
and Beck's Cove.

Class 1, Division B.—Truck horses,
owned and driven by truckmen—be-
tween Beck's Cove and McBride's Hill.

Class 1, Division C.—Truck horses
not owned by truckmen—between
McBride's Hill and McDermid's.

Class 2, Express horses—McDermid's
and Court House.

Class 3, Cab horses—between Court
House and Mr. Clouston's tin-
smith shop.

Class 4, Farm horses—between
Clouston's and Telegram Office.

Class 5, Division A.—Ponies for
hire express delivery—between Tele-
gram Office and Prescott Street.

Class 5, Division B. Private ponies
not used for hire, will assemble be-
tween Prescott Street and Millia
Building.

Class 6, Private carriage horses not
used for hire—Millia Building to
Harvey and Co's Office.

Class 7, Old Horse Class—between
Harvey & Co's Office and the Custom
House.

Class 8, Pairs of truck horses—be-
tween Custom House and Cochrane
Street.

As soon as the Parade is ready (3
p.m.) all classes will proceed west in
line to Queen Street, where a band
will lead the procession to Govern-
ment House Grounds, via New Gower
Street, Duckworth Street, Henry St.
and King's Bridge Road, entering the
Governor's Grounds by the Eastern
gate, where each class will line up to
themselves as directed.

The judges will then make their
awards: 1st Class, Blue Rosette; 2nd
class, Red; 3rd class, Yellow. At 5
p.m. the winners will parade their
horses to the North porch door of
Government House, where Lady Har-
ris will present the prizes.

In addition to the set prizes, the 1st
place horses will be decorated with
an engraved brass medal to be at-
tached to the horses' harness and
worn every day for a year. There
are also the two special prizes, a car-
riage rug, presented by Lady Harris
for the winning cab horse, and by
Mr. Justice Johnson, the President,
for the horse the longest time in the
same employ. In the programme of
entertainment we notice that the Mar-
tin-Royal Stores Hardware Co. have en-
tered Jerry, 32 years old and 26 in
the employ and still working; Mr.
P. W. Wickham, Freshwater Valley,
has Belle, which was reared on his
own farm and is now 27 years old.
Geo. McGuire's Bakery has entered
Curry, 28 years old, and Steer Bros.
Frank, 17 years. A. V. Ross, of Grove
Farm, has entered Jim, 25 years old.
In this class there will be keen com-
petition, and the judges will be Mr. M.
A. Bastow and Mr. James Barker. The
express horse class has 28 entries.
There are 13 ponies, and in the pri-
vate carriage class are 14, amongst
which are Mr. R. A. Brehm's celebra-
ted standard bred Ross Belle, 15 years
old, and Hon. M. G. Winter's Bess 20
years old, whilst Mrs. A. W. Harvey
has entered her pair, My Lady, 20
years old, and Billy 4 years. Dr. Mac-
pherson has entered the imported
Kentucky mare Emilee Lea, and Dr.
Furneaux the vet. has two, Darkey
and Baba. The judges for this class
will be Messrs. J. C. Baird, and Mac
Butter. The Water St. draft horse
class, Harvey & Co., A. E. Hickman
Ltd., J. Browning & Son, G. Knowling
Ltd., The Royal Stores, Jas. Baird
and Geo. Neal having entered animals,
whilst the Municipal Council also have
put in two. The truckmen's list com-
prises 26 horses, driven by their own-
ers. The committee will not allow
any motors or other vehicles to enter
Government House grounds on ac-
count of the lack of room, so that any
private parties must leave them out-
side, and it is suggested that cars be
parked on Bannerman Road. The
public will not be admitted till the
horses have entered the grounds, so
as to avoid accidents. After the hor-
ses are lined up the public will be
admitted by the eastern gate, the
western one being closed till the ex-
hibition is over, when all can retire
that way. The prizes, 35 in number,
will be distributed at five o'clock.
The band of the Salvation Army have
kindly offered their services for the
evening. At 4.30 His Excellency the
Governor will entertain the President
and Committee with the judges and

their wives at tea. The committee
are greatly indebted to his Excellency
for his generosity in placing the
grounds at their disposal, and for all
he has done to encourage the Society
in their work as well as encourag-
ing owners in general to care for
their animals. It is hoped all who
have entered animals will carry out
the instructions of the committee in
following the route of the parade.

Good, Declares
Miss K. Murphy

Hardly Had Strength To Walk
Across Room—Tanlac Re-
stores Her.

"Of all the medicines and treat-
ments I have taken since my health
failed about two years ago, Tanlac is
the only thing that has done me any
good at all," said Miss Kathleen
Murphy who lives at 845 Barrington
street, Halifax, a few days ago.

"When I commenced taking Tan-
lac," continued Miss Murphy, "I
hardly had strength enough to walk
across the room. I suffered a com-
plete nervous breakdown about two
years ago, and have certainly un-
dergone a great deal of misery since
that time. I lost my appetite com-
pletely, and didn't relish what little
I forced myself to eat. Many nights
I would hardly sleep at all, and when
morning came I would be so tired
and exhausted that I would hardly
be able to get out of bed. I fell off
in weight until I was just a shadow.
I had to give up doing any work at
all about a year and a half ago, and
I got so blue and despondent over my
condition that I would have long
spells of crying. I was under treat-
ment all the time but my condition
just got worse from day to day.

"Not very long ago, my mother,
who was in a badly run-down condi-
tion, began taking Tanlac, and as
she improved so much from it, I de-
cided to give it a trial myself. I
have only taken two bottles so far—
am on my third now—and it cer-
tainly has done me a world of good.
In fact, that nervousness has left me
entirely and I never enjoyed better
health in my life than I do now. My
appetite is fine, and I sleep like a
baby every night. I am so well and
strong now that I am back at my
work again, and haven't lost a day
since I went back. I think Tanlac
is the best medicine in the world, and
I just can't say enough for it."

Tanlac is sold in St. John's by M.
Cormors, under the personal direction
of a special Tanlac Representative.—adv.

The Peter's Fund.

Editor Evening Telegram

Dear Sir:—A report has been
around the last couple of days to the
effect that the money donated by
friends of the late Charlie Peters
(who lost his life on Regatta Day),
to the wife and children of the de-
ceased, has not yet been passed over
to them. It is said that a meeting must
be held—of who or what I don't know
—and that a lot of red tape has to be
used up before those good deserving
relatives of poor Peter receive what
is really the gift of the public.

It was always the way in this country
—a selfish hearted people give, but a
few of the supposed big chiefs must
on every occasion form themselves
into committees and circles and or-
ganizations, and what not, so that by
the time donations reach their right-
ful owners, these committees seek to
secure all the praise and bounty of
the matter themselves.

It doesn't require the safe and
guiding advice of a circle of bombast
few to help Mrs. Peters out in her de-
cision as to how she will lay out the
kindly aid of the people given to her,
and finally to the right of the right
of any individual or individuals to re-
tain this money one single hour. The
moment it was given by a sympath-
etic people on the race-course, it was
here—and (if this rumor I refer to
is correct) why has she not received
it ere this?

Yours very truly,
P. J. K.

BY BANISHMENT FROM CREW.
Edinburgh.—Ballantyne, the stow-
away on the R-34 on the voyage to
America, on his return to Scotland
has been terribly punished by the
British Navy.

He was not court-martialed but
placed before the officers, he had in-
curred the danger he had incur-
red and he would not again be per-
mitted to act as one of the dirigible's
crew. He said he would have pre-
ferred a year in solitary confinement.
