UPHOLSTERING.

To the public in general, a few secrets about your furniture.
1. If your couch or chair is going to wrack, it really has to be upholstered before you can cover it.
2. All repairs have not to be done with 2 or 4 inch nails.
3. Now is the time to have it done as we have a new staff and will guarantee good workmanship and quick delivery.
4. What is worth doing is worth doing well.
Drop a card to 15 Balsam Street and we will do our best to make 1920 link up to 1914 with good work and reasonable price.

MIRARD'S LINIMENT RELIEVES DISTEMPER.

STEWART'S
Home Made Bread,
THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.
The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.
