## Mysterious Disappearance.

MISS LINDSAY'S BODY NOW AUTHENTICATED.

Collins, Manager of the Canadian Marconi Co., received a message yesterday from Mr. S. W. Brazill, Canadian Marconi Co. at Baine which reads: "Referring message Miss Lindsay, information correct, found Dec. 13th, half mile from . . . Remains, except head, in good . . . of preservation."

From the above message, which . . . the finding of the body, the . . . under which Miss . . . met her death become more . . . than ever. Certainly, the . . . which spent a considerable . . . looking for the body could not . . . a very thorough search. . . the other hand, the finding of the . . . a half mile from the school is . . . a circumstance that needs . . . investigation.

Miss Marguerite Lindsay, who was . . . teacher with Rev. Henry . . . at Cartwright, left her . . . place to go bathing on August . . . . . When search parties went . . . footprints were found on the . . . but in the excitement they . . . trampled out, and no trace of . . . unfortunate lady's clothes were . . .

## Fishesmen's Campaign.

CONTINUE EFFORT TO REDUCE TAXATION.

Yesterday afternoon by S.S. Portia, . . . Jesse Winsor and delegates . . . Roberts, Mark Bragg, Stewart . . . John White, W. Sainsbury, . . . Sandford, Joshua Winsor and . . . Carter representatives of the . . . Fishermen's Movement arriv- . . . the city preparatory to under- . . . an extensive campaign . . . the country in furtherance of . . . of a set of resolutions, . . . more economy in Govern- . . . expenditure and reduced taxa- . . . which have already been passed . . . numerous public meetings held . . . their campaign opened last fall . . . C.L.B. Armoury, St. John's . . . the last visit of the delegates . . . city important meetings have . . . held at Newtown, Greenspond . . . where the people are . . . supporting the move- . . . With the Portia was at Port . . . as the trip up, four of the de- . . . waited upon the Hon. Mr. . . . and discussed the situation . . . It is understood that while . . . offering them any great encour- . . . or admitting that their full . . . with regard to reduced taxa- . . . could be met, he indicated that . . . Government would probably be . . . to remove some of the . . . that had been imposed . . . It would be impossible, he said . . . the sales tax, as that . . . is a revenue of over a million . . . a year, and the Government . . . not afford to lose such a large . . . of revenue. The delegates, . . . are hoping to arouse public . . . to such an extent that sub- . . . reductions in taxation will . . . brought about, and are undertak- . . . their mission with high hopes. . . probable that they will be leav- . . . within a day or two. Under . . . arrangements the delegates . . . to operate as follows:— . . . Roberts and Bragg will cover . . . of Conception Bay that have . . . been touched and Trinity . . . Messrs. Stewart Winsor and . . . will take the South Side of . . . Bay; Messrs. W. Sainsbury . . . attend to the North Side of . . . Bay, Grand Falls and . . . while Messrs. Joshua Win- . . . Walter Carter will cover . . . Bay. Other delegates . . . left, or are leaving Westville . . . the Strait Shore.
