

**Pony.**  
A man, who was rebuked for his in-  
dignity, speaking with  
voice forbade the madness of  
prophet. In a little village in  
Kahine there lived a family, the  
members of which were in the habit  
disregarding the command of God  
remember to keep holy the Sabbath.  
Forgetting that God careth even  
the beasts of burden, and has set  
at a seventh portion of time as a  
of rest for them all as well as man,  
y used to harness their pony, in-  
er to convey them and their friends  
the nearest railroad station on the  
d's day. A new pony, however,  
ch they purchased, from some in-  
et, which we will not attempt to  
ain, but which has often been per-  
sed in dogs, was able to distinguish  
accurately as its master between the  
day and the other days of the  
e, and probably from remembering  
habits of some previous owner, who  
more careful to obey the command  
God, was fully resolved to enjoy  
day quietly at home in the stable  
is paddock. When he was fasten-  
g the gig on the Sunday, and the  
er or his friends had ascended the  
d wished to proceed, the pony  
gh obedient at other times, would  
his feet firmly on the ground,  
neither blows, nor words, nor car-  
e, could induce him to stir from  
pot. All the efforts of his master  
ed powerless to induce him to  
on the Sabbath day, and at last,  
matter of necessity, he has been  
to the quiet enjoyment of his  
ly day of rest. Thus did this  
dumb beast, like Balaam's Ass,  
ke his master for his sin, and  
dy put him to shame for his dis-  
e of God's express command.  
W. Allan.

A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the  
holder to the advantages of instruction and influence in obtaining situations. Each  
College derives special benefit from all others, the combined experience of numerous teachers,  
the collection of manuscripts and the publication of text books, beyond the ordinary  
means of any single school. We have the best system of Penmanship known to the public,  
taught by experienced, first-class Penmen, for which we were awarded First Premiums in  
all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Com-  
mercial Law, in a series of Book-keeping, English Grammar, Correspondence, Composition,  
&c., &c., with ample black-board explanations, and special lectures to suit individual cases.  
Actual business is here introduced by the use of Banks, and other offices, as in business  
houses. The method of giving instruction in this institution is the most important  
feature. Students learn in thousands of dollars, buy and sell merchandise, real estate,  
stocks, &c., with all the details of business, thus converting the school-room into  
a banking office, a counting-house, or a business office, by utilizing the actualities of business, as well as  
the abstract theory of Book-keeping. For further information please call at the Col-  
lege, or send for a College Monthly, enclosing letter stamp.

such inducements to CASH Purchasers  
have never before been offered in Guelph.

first-class material; the workmanship second  
to none. The merit of each article has been  
well tested. An early call with the CASH is  
necessary at my shop, near the Market House.
