2nd — The RUSSELL WATCH being made on correct and scientific principles, t must follow as a statural consequence that it will keep time.
3rd — Each part of which the RUSSELL WATCH is composed is a reflex of the perfect machine b hitch, under skilful direction, it is produced.

4th-Truth is the essential of each part

7th—The greatest variety of price, quality and size, that confidence and perfection will admit, florded by the RUSSELL WATCH.

8th—The RUSSELL WATCH stands pre-eminently above all competitors for public favor and

TESTIMONIAL.

All kinds of Castings made and finished to order. Tinsmithing, in all its branches, carried on. If Society was as perfect in its organization, and was as obedient to the dictates of truth as the RUSSELL WATCH I bought from you is in indicating time, evil would be swallowed up in good, and happiness would become monotonous.
