Rev. Dr. Stalker will conduct the anniversary services in the Wallace town Presbyterian church on Sunday. The usual tea-meeting will be held on Monday evening, to be followed by an entertainment provided by Arthur Ayearts, tenor; J. Tiffin, baritone, and Mrs. Helen Rogers, reader.

ANNIVERSARY SERVICES

Very helpful and inspiring anniversary services were held in the Methodist church last Sunday, when the Rev. E. G. Powell, of Lucas, delivered two very interesting sermons to large congregations, which greeted the pastor of by-gone days.

At the evening service Mr. Powell spoke on the great Inter-Church Forward Movement, with particular reference to the part allotted to the Methodist church. He dealt only with the spiritual and educational features of the Movement, and what was expected from the church, in these connections. If the aims in these were accomplished the four millions of dollars would naturally follow.

The offerings for the day amounted to \$175, which will be augmented by a considerable sum.

An open session of the school was held in the afternoon, addressed by the Rev. Mr. Powell.

The people are to be congratulated on the success of the day.

WEATERS NEEDED FOR NAVY

Assistance Asked From Local Chapter—How to Make Them

The I.O.D.E. has received an appeal for knitted comforts for the navy and they ask the ladies who so kindly knit during the war to again help now by knitting sleeveless sweaters, scarfs, wristlets and socks, but especially sweaters.

Scarfs are knitted one and one-half yards long and 4 1/2 stitches with 4 1/2 stitches around, plain and purled as the cuff of a sock.

Sailor's sleeveless sweaters—Cast on 76 stitches on 2 needles (with knobs) and knit 2 plain, 2 part for 3 inches. Then plain knitting for 23 inches. This forms the front. Now knit 24 stitches and put them on another needle for shoulder. Cast off 28 stitches, which will leave opening for neck; knit the remaining 26 stitches for 20 rows (10 ribs) and cast on stitches (25), making 76 stitches once more. Knit plain for 21 inches for back (one inch longer than front), then 2 plain, 2 part for 3 inches and cast off loosely. To finish neck, pick up 68 stitches round the opening and knit 2 plain, 2 part round and round on four needles for 3 1/2 inches; cast off loosely, sew up the sides of the sweater, leaving an opening 12 in. long for arm holes and work one row double crochet round the armhole to make it strong.

DEATH OF A YOUNG LADY

Miss Coral I. Lipsey, a Former Resident of Dutton, Passes Away in St. Thomas

The death occurred at her home in St. Thomas on Sunday of Miss Coral I. Lipsey, the only daughter of Mrs. Christina Lipsey, after an illness of several years.

The highly esteemed young lady resided in Dutton for a number of years, where she attended the public school and finally graduated from the high school. For a number of years she held a responsible position with Bradstreet's in Detroit, and was about to be promoted to the head of her department when falling health compelled her to seek relaxation. Four years ago she made her home in St. Thomas.

The late Miss Lipsey possessed a genial and cheerful disposition and her many friends deeply regret her early death.

The funeral was held on Tuesday afternoon at Fairview cemetery and was private, yet many friends of the family assembled at the cemetery, where a short service was conducted by Elder J. B. Slanson.

DEATH OF YARMOUTH RESIDENT

Mrs. Thomson, Sister of Duncan Campbell, Dutton, Passes Away Suddenly

The death occurred Saturday morning at her home on the 18th concession of Yarmouth, of Katharine Campbell Thomson, wife of J. P. Thomson, in her 60th year. Mrs. Thomson's death came very suddenly and unexpectedly. She was in Aylmer on Friday and seemed to be enjoying the very best of health. On her return home she was taken suddenly ill and passed away a few hours later.

Deceased was one of the oldest and most highly respected residents in Yarmouth township. She was born in North Yarmouth and had lived in that locality all her life. She was a consistent member of St. James' Presbyterian church, Yarmouth.

Besides her husband, she leaves to mourn her loss, one daughter, Miss Eva, at home; two sisters, Mrs. Neil McCullum of Lambton, and Miss Annie Campbell, St. Thomas; and two brothers, Malcolm, in St. Thomas, and Duncan, of Dutton.

SPLENDID LYCEUM CONCERT

First Entertainment of Series Highly Pleased Large Audience

Seldom, indeed, has a more gratified audience filled the hall than that which for over two hours on Wednesday evening listened to the program of Hawaiian music presented by the Liloukalani Quartette, under the direction of Mr. Pa.

The various numbers, illustrating the different forms of Hawaiian melody, were well rendered and greatly appreciated by the applauding gathering. The explanations of the development of the national taste in music offered by the director were very interesting and instructive, and the comedy of the gentleman with the twenty eight story name, called "George for Short," served to enliven the evening.

The success of the first entertainment of the series of four to be put on this season is very encouraging and already seats are engaged for the next performance, which will be given by Davis, the celebrated magician, on November 14.

PRETTY WEDDING AT CAMPBELLTON

A quiet but very pretty wedding took place on the third concession of Dunwich on Oct. 22nd, when Isabel McPherson became the bride of George Percival, the Rev. John McKillop, of Duff church, Largsie, officiating. The ceremony was conducted at the home of the bride's mother. The house was handsomely decorated with autumn foliage. The young couple stood under a bridal arch beautifully decorated with evergreens, flags, roses and bunting. The bride looked charming in a gown of taupe, satin and georgette, and wearing a diamond set pendant, the gift of the groom. After the serving of an elegant wedding dinner, the happy couple left for a short honeymoon to Hamilton, Niagara Falls and points east, the bride being dressed in a travelling suit of navy blue serge.

On Friday previous the bride-elect was tendered a shower at the home of Mrs. John MacEachern, when the array of beautiful presents she received showed the high esteem she is held in by the community, also the congratulatory addresses given by the ladies present of the splendid work done both in the Patriotic League and W.M.S., to which she belonged.

WILLEY-KIRKWOOD

A quiet wedding was solemnized at Duff church manse on Tuesday when Miss Elizabeth Kirkwood, of Dunwich, became the bride of Mr. Scott Willey, also of the same township. The ceremony was performed by Rev. J. McKillop. Mr. and Mrs. Willey left for western points for a wedding trip, accompanied by the best wishes of their many friends, and on their return will take up their residence on the groom's farm in North Dunwich.

Baking Always In Sight

THE clear glass door is only one of the modern features of this dependable range. Its baking qualities you know. The cooking top will take the boiler either across or lengthwise, making it easy to cook the regular dinner on wash-day.

Grates work smoothly. Hot water reservoir is enamel, and may be removed for cleaning. A dependable thermometer takes all guess-work out of baking. No other range will quite satisfy you once you see the Pandora.
