There are few, if any, in the great army of smokers who have not been, by experime, placed in a position to judge as to the merits of the "Norma" 10-cent cigar manufactured by H. McKay & Co., of Lonfon. In almost every cigar store and hotel to Canada this pet of all lovers of 10-cent goods has found its way, and is finding rapid and constantly increased sale. Unlike other similar goods, its fame is not of a transient nature. The "Norma" contains all the merits of the imported cigar, and has in many cases supplanted its more expensive rivals, and each successive season but adds to its host of admiring consumers.

The large establishment of H. McKay & Co. is kept continually engaged in supplying the demands made upon them for the "Norma."

Novel Message to Lord Aberdeen.

Mayor Taylor, Capt. A. W. Porte, President of the Western Fair, Mr. G. C. McCormick, and representatives of the two city newspapers ascended the long line of stairways to the top of the McCormick Manufacturing Company's premises this afternoon to engage in a notable undertaking. A beautiful homing pigeon had been procured from the Toronto Industrial Dxhibition now in progress, with the intention of sending a message to Lord and Lady Aberdeen, who to-day formally opened that show. The bird arrived by the noon express, and Mr. G. C. McCormick, who is an expert in these matters, promptly rolled up the delicate little missive, inserted it in the quill provided for the purpose, and then tied the tiny little bit of freight under the center feather of the tail. At 12:45 m., the pretty bird was let fly. After circling around a little to get its bearings, it made straight for Toronto, which it has no doubt reached long before this is perused by ADVENTISER readers. A pigeon of this breed flys at the rate of about a mile a minute. The letter sent was in the following terms:

To the Earl and Lady Aberdeen,—Greeting—The Mayor, on behalf of the average of the sent and the following terms:

He begg to say that they are delighted you will also visit the Forest City and the Western Fair. Western Ontario joins us. GEO. TAYLOR, Mayor. London, Sept. 9, 12:15 m., 1890.
