Secretary C. S. Freeman, of the Sar-

Sarnia, Oct. 21, 1900. J. D. McMurrich, Secretary O. R. F. U.,

Dear Sir,—In reply to the charges that appeared against us in the Toronto Globe, I am authorized to state, on behalf of the club, that they have thoroughly investigated the affair, and have ascertained that some small boys pelted mud at some of the London players as they were riding on a street car when going to the hotel after the game, and that the said offense was committed more than a mile away from the grounds, and that none of the Sarnia players participated in or were of what was taking place at the time; and, as far as it is known by us, none of the citizens had anything whatever to do with such disreputable act, and

Doan's Kidney Pills Cured after Everything Else Failed.

Mr. Wm. Brundage, a highly respected resident of Jesper, Grenville Co., Ont., a cut of whom appears here, suffered all sorts of tortures for over fifteen years as a result of kidney trouble. So pleased is he at being cured by Doan's Kidney Pills that he has given the following statement of his case.

MR. WM. BRUNDAGE.

THE DOAN KIDNEY PILL Co., GENTLEMEN, -I have been troubled with last fifteen years, so bad at times that I could hardly walk.

I have taken almost everything I saw advertised for kidney trouble, but nothing seemed to do me much good.

When the above facts of the case which are here presented, are investigated by unprejudiced opinion, we feel confident that the executive will not have to resort to any such methods as was suggested in having us drummed out of the league, and that the club will be wholly exonerated from all blame attached to the assault on the London Club, which we are at once ready to apologize for having taken place, but not having committed. Akron, O., Oct. 23.-Art Simms, of this city, got the decision over Jim Popp, of Toronto, the Canadian lightweight, in this city, last night. Popp was the taller and heavier by eight or ten pounds, and was not in as fit conditior, as was Simms. Simms did most of the leading, and landed by far the more blows, but Popp hit harder. At no time was either man in great distress, and no knock-down was scored. Eddie McBride, of Buffalo, was referee, and the fight went the full limit of 20 rounds. Simms and Popp fought for 50 per cent of the receipts.

THE TURF.

AT NEW YORK. New York, Oct. 23.-A card of six over-night events was decided today at the Empire City race track, but some fair sport was enjoyed by a good-sized crowd. The track was fast. In the handicap at one mile and a furlong, St. Simonian won easily in 1:521/5, but a fraction of a second more than the world's record of 1:52 for the distance. King Barleycorn was the favorite for this race, and made the running for 7 furlongs, but, as usual, quit when the finish came, and St. Simonian moved to the front and showed the way into the stretch. Annoy challenged gamely, but when Mc-gressing. There is a great demand for Cue let St. Simonian down, he drew the seats and high prices are being While at the post, The ond race. withdraw from the O. FORBIDDEN ENTRANCE TO GROUNDS IN PARIS.

Paris, Oct. 23 .- Sunday's stormy incidents at the Paris des Princes, when MacFarland, the American cyclist, was obliged to quite the race with Jacquet owing to the menacing attitude of the crowd, which objected to indulging the former's desire to wait until the muddy track should dry, have been followed by an extraordinary action on the part of M. Desgrange, manager of the racing track. The whole colony of American and English cyclists has been forbidden to enter the grounds, except to withdraw machines and other personal property.

Toledo, Ohio, Oct. 23.—At a joint meeting of the building and ways and means committees of the Toledo Yachting Association last night, it was decided to hold here in 1902 the biggest inter-lake regatta ever held in America. Seeking Shelter in Farm Houses

Which Are Full of Women and Children.

Roberts' Last Circular-Another Letter Regarding Decision of "A" and "B" Companies to See It Out.

Cape Town, Oct. 23.—Guerilla attacks by the Boers are still giving great trouble. Gen. French encountered continuous opposition in his march from Carolina to Bethel, his casualties numbering 36.

After the arrival of Lord Methuen at Zeerust there was a reconnoissance in force northward, which resulted in the discovery of large numbers of Boers, who were only dislodged after artillery and rifle fire, lasting four hours. The Boers had four killed and ten wounded. The Boers take shelter in farm houses, which are crowded with women and children.

ROBERTS' LATEST. Lord Roberts is distributing a fresh circular to the effect that Boers voluntarily surrendering who have never taken the oath of neutrality will not be exiled, but will be permitted to return to their farms at the conclusion of hostilities.

A AND B.

Sarnia, Ont., Oct. 24.-In a letter to his mother, dated Erste Fabricken, South Africa, Sept. 20, Sergt. Fred. Gorman, of B Company, first contingent writes: "As the mail leaves today I thought I would send a few lines. As you can see by the date line we are still stationed here. I have changed my programme since writing last week. Instead of going home right away I have decided to stay and see the thing through. I have been with the company in everything since the day it was organized, and when it came to the pinch I couldn't leave it, with the end so near in sight. A and B Companies, along with the draft and men of the permanent corps, are to stay and take part in the annexation ceremonies, which take place in Pretoria shortly, and then leave for England along with representative detachments from all the colonial corps to take part in the great review before the Queen at Aldershot. In all there will be about 300 of the R. C. R. Lord Roberts was very anxious to have the whole regiment stay, but C, D, E, F, G and H Companies were unanimous in wanting to be sent home immediately, and, I believe, are to start tomorrow. A and B Companies volunteered to stay, also a few from each of the other companies. I don't think we will be far behind them, and the chances are we will have a more pleasant trip, not to speak of the honor of having participated in the annexation cere-mony and review, both of which will be historical events of some importance." NO LIST.

Ottawa, Ont., Oct. 24.—Eight days have elapsed since the militia department asked the British war office for the list of those members of the first contingent who were returning on the Idaho, but no answer has been yet re-

Hav Fever Can be Cured by Japanese Catarrh Cure.

IT KILLS THE GERM WHICH IS THE CAUSE OF THIS MOST PREVA-

LENT COMPLAINT.

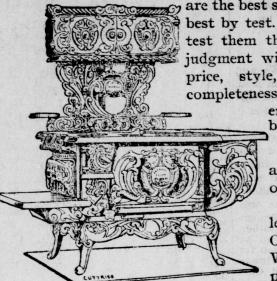

Hay fever has been the cause of much scientific study and research by many of the most prominent physicians throughout the world. Many of them differ as to its real cause, but the majority agree that the cause is due to the little germs contained in pollen grains, principally hay pollen, but many other flowers and plants contribute largely to its cause. Japanese Catarrh Cure has been found the only complete cure for hay fever. It contains an organic compound of lodine, which is a thoroughly harmless antiseptic, and destroys the hay fever germs completely. It soothes, heals and gives almost immediate relief. You will find it pleasant to use. We will be pleased to send you a trial quantity free. Inclose 5-cent stamp for postage, to The Griffiths & Macpherson Company, Limited, 121 Church street, Toronto.
