English and American Cyclists Shut Out at Paris—Latest News in the World of Sports.

FOOTBALL.

AN ASSOCIATION LEAGUE.
A league of Association football clubs was formed for this city Monday night, at a meeting held at Wolsley Barracks. Four clubs entered the league—Varsity, London, Normal School and Military School. A schedule of games was arranged, and a season of good sport is looked forward to. Mr. H. T. Mills, of Wolsley Barracks, was elected secretary of the league, and to him all communications should be addressed. The schedule is as follows:

Oct. 25—Military vs. Varsity.
Oct. 27—Normal vs. London.
Oct. 29—Normal vs. Varsity.
Oct. 31—Military vs. Varsity.
Nov. 3—London vs. Normal.
Nov. 7—Normal vs. Varsity, London vs. Military.

Nov. 10—London vs. Normal.
Nov. 15—London vs. Varsity, Normal vs. Military.
Nov. 18—London vs. Military.
Nov. 22—London vs. Varsity, Normal vs. Military.

The London club organized at the same time, and elected Mr. J. W. Couse president and Mr. McLeod secretary.

GETTING IN SHAPE FOR THE FINAL.
Electric light practices are being held every evening by the Rugby team in St. John's A. C. gymnasium. All players are requested to attend, as it is impossible for the team to be in shape for Saturday without good practice. Jack Hobbs will probably play half in Saturday's game, Frank Hobbs quarter and Hugh Leabutt full back.

TIGERS WITHDRAW.
Hamilton, Ont., Oct. 23.—At a meeting of the executive of the Hamilton Rugby football club it was decided to withdraw from the O. R. F. U., and the secretary will notify the Ottawa Rough Riders not to come here for Saturday's game. Dissatisfaction with the composition of the O. R. F. U. and the way that body treats clubs outside Toronto are the principal causes, and grievances have been of long standing.

WAS THE SARINIA CLUB TO BLAME.
Secretary C. S. Freeman, of the Sarinia Club, has sent the following letter to the Ontario Union:

Sarnia, Oct. 21, 1900.
J. D. McMurich, Secretary O. R. F. U., Toronto.

Dear Sir,—In reply to the charges that appeared against us in the Toronto Globe, I am authorized to state, on behalf of the club, that they have thoroughly investigated the affair, and have ascertained that some small boys peeped into the dressing room of the Sarinia players as they were riding on a street car when going to the hotel after the game, and that the said offense was committed more than a mile away from the grounds, and that none of the Sarinia players participated in or were abettors or in any way were cognizant of what was taking place at the time, and, as far as it is known by us, none of the citizens had anything whatever to do with such disgraceful act, and

With Backache and Kidney Complaint.
Doan's Kidney Pills Cured after Every-thing Else Failed.

Mr. Wm. Brundage, a highly respected resident of Jasper, Grenville Co., Ont., a out of whom appears here, suffered all sorts of tortures for over fifteen years as a result of kidney trouble. So pleased is he at being cured by Doan's Kidney Pills that he has given the following statement of his case.

MR. WM. BRUNDAGE.
THE DOAN KIDNEY PILLS CO.

GENTLEMEN,—I have been troubled with backache and kidney complaint for the last fifteen years, so bad at times that I could hardly walk.

I have taken almost everything I saw advertised for kidney trouble, but nothing seemed to do me much good.

A friend suggested that I try Doan's Kidney Pills. The first box gave me great relief, and the second box has so completely cured me that I feel like a new man.

You are at liberty to use this in any way you think proper, and I hope it may be the means of inducing some sufferer to try Doan's Pills. WM. BRUNDAGE.

Doan's Kidney Pills are sure to cure any other remedy for backache, lame back, dropsy, gravel, urinary troubles, kidney weakness of children and old people, female complaints and all troubles arising from ailing kidneys. Always ask for Doan's Kidney Pills and refuse substitutes.

The Boers

Seeking Shelter in Farm Houses

Which Are Full of Women and Children.

Roberts' Last Circular—Another Letter Regarding Decision of "A" and "B" Companies to See It Out.

Cape Town, Oct. 23.—Guerrilla attacks by the Boers are still giving great trouble. Gen. French encountered continuous opposition in his march from Carolina to Bethel, his casualties numbering 38.

After the arrival of Lord Methuen at Zeerust there was a reconnaissance in force northward, which resulted in the discovery of large numbers of Boers, who were only dislodged after artillery and rifle fire, lasting four hours. The Boers had four killed and ten wounded. The Boers take shelter in farm houses, which are crowded with women and children.

ROBERTS' LATEST.
Lord Roberts is distributing a fresh circular to the effect that Boers voluntarily surrendering who have never taken the oath of neutrality will not be killed, but will be permitted to return to their farms at the conclusion of hostilities.

TO FEED KRUGER.
Paris, Oct. 23.—The admirers here of President Kruger have arranged in the event of his coming to Paris, to give a banquet in his honor in the great machinery hall of the exhibition.

THE TURK.
New York, Oct. 23.—A card of six over-night events was decided today at the Empire City race track, but some fair sport was enjoyed by a good-sized crowd. The track was fast. In the handicap at one mile and a furlong, St. Simonian won easily in 1:57 1/2, but a fraction of a second more than the world's record of 1:52 for the distance. King Barleycorn was the favorite for this race, and made the running for 7 furlongs, but, as usual, quit when the finish came, and St. Simonian moved to the front and showed the way into the stretch. Any challenged gamely, but when McCue let St. Simonian down, he drew away and won easily by a length and a half. Amner took the place half a length before McCue of Dare, the favorite, stopping at nothing. An unfortunate accident happened in the second race. While at the post, the Chamberlain knocked St. Cloud, and in the first few strides of the race the leg broke, the poor animal running 50 yards on three legs before he could be pulled up. He limped off the track to the paddock, where a bullet put him out misery. It was a second more than the world's record of 1:52 for the distance.

THE CANADIANS.
A AND B.
Sarnia, Ont., Oct. 23.—In a letter to his mother, dated Erste Fabricken, South Africa, Sept. 20, Sgt. Fred. Gorman, of B Company, first contingent writes: "As the mail leaves today I thought I would send a few lines. As you can see by the date line we are still stationed here. I have changed my programme since writing last week. Instead of going home right away I have decided to stay and see the thing through. I have been with the company in everything since the day it was organized, and when it came to the pinch I couldn't leave it with the end so near in sight. A and B Companies, along with the draft and other companies, have been with us to stay and take part in the annexation ceremonies, which take place in Pretoria shortly, and then leave for England along with representative detachments from all the colonial corps to take part in the great review before the Queen at Aldershot. In all there will be about 300 of the R. C. D. Lord Roberts was very anxious to see the thing through, but C. D. E. F. G. and H Companies were unanimous in wanting to be sent home immediately, and I believe, are to start tomorrow. A and B Companies volunteered to stay, also a few from each of the other companies. I don't think we will be far behind them, and the chances are we will have a more pleasant trip, not to speak of the honor of having participated in the annexation ceremonies, and the reputation which will be ours as a result of which will be a historical event of some importance."

NO LIST.
Ottawa, Ont., Oct. 24.—Eight days have elapsed since the militia department asked the British war office for the list of those members of the contingent who were returning on the day but no answer has been yet received.

Hay Fever Can be Cured by Japanese Catarrh Cure.

IT KILLS THE GERM WHICH IS THE CAUSE OF THIS MOST PREVALENT COMPLAINT.

Hay fever has been the cause of much scientific study and research by many of the most prominent physicians throughout the world. Many of them differ as to its real cause, but the majority agree that the cause is due to the little germs contained in pollen grains, principally hay pollen, but many other flowers and plants contribute largely to its cause. Japanese Catarrh Cure has been found the only complete cure for hay fever. It contains an organic compound of iodine, which is a thoroughly harmless antiseptic, and destroys the hay fever germs completely. It soothes, heals and gives almost immediate relief. You will find it pleasant to use. We will be pleased to send you a trial quantity free. Inclose 5-cent stamp for postage, to The Griffiths & Macpherson Company, Limited, 121 Church street, Toronto. Sold by Anderson & Neilsen, London, 50 cents, or mailed direct.
