### SARNIA SENIORS AGREE TO ST. THOMAS SERIES

qualified to meet the C. A. A. where for the city championship.

The Nash cup is emblematic of the City interchurch championship, and the series, it is believed, would attract a good deal of interest, since the two church leagues are the only ones operating in the city this season. Special to The Advertiser.

St. Thomas. Sept. 2.—Following a refusal by Galt seniors to decide who was the real loser this year, Sarnia has consented to a consolation series, the first game to be played here Labor Day. A second game will be played in Sarnia, and there will be a toss-up for the third contest. Local baseball fans are still thirsty for blood, and the series will no doubt help out the shrunken bankroll of the team's backers. It is possible that the series may be stretched into a seven-game affair.
