FOOT BALL.

T. A. C., 42; R. M. C. CADETS, 1. Kingston, October 31.-The T. A. C. foot ball team gained a signal victory on the athletic grounds here this afternoon in the return match with the R. M. C. cadets. The score at the close stood 42 to 1. In the first match the cadets defeated the T. A. C. by 13 to 8. The T. A. C. thus win the first round by a score of 36 points. THE ASYLUM ON TOP.

In the city league champion series a great game was played at the Asylum on saturday afternoon between the Asylum and the Military School clubs, which was noted for some very fine collective and individual play, but more especially for its rough and tumble characteristics. During the fray Greek met Greek and then came the tug of war in a fashion that would have pleased even the heart of Imwould have pleased even the heart of Im-perial Caesar, and ample demonstration was made that Canadian heads and Canwas made that Canadian heads and Canadian shins were made of the right kind of stuff. The game resulted in favor of the Asylum by a score of 3 to 0, and it was a game long to be remembered by all who participated in or were spectators to it. Murray, Rogers, Gordon, Angus and Sappi, for the Asylum; and Evans, Moore, Hall and Smith for the Military School, did excellent work, some of their plays Hall and Smith for the Military School, did excellent work, some of their plays being really brilliant. The Barracks eleven did not play in their usual form, and was materially weakened by the absence of Mr. Beltz and Sergt. Dunlevy, whilst the Asylum team was greatly strengthened by several players from the Collegiate lastitute, including Percy Carson, Murray and Gordon, and for this and other reasons the game has been protested. E. Hall, the captain of the Barracks team, received a nasty kick in the eye, cutting at open and necessitating his withdrawal in the latter part of the game, which was finished with ten men on the school side. the latter part of the game, which was finished with ten men on the school side.

The league referee failed to turn up, and Mr. George Thurling, of the Asylum, 2cted as such, and the Military team Talim that his decisions were not always as fair to them as they might have been fair to them as they might have been.

The teams were as follows:—

Toronto, October 31.—Fully 4,000 people collected on the 'Varsity campus this afternoon to witness the struggle between the 'Varsity seniors and Queen's. It was an ideal day for foot ball. The play was fierce and fast from the start, and generally free from roughness, but as the game progressed the Kingston sluggers began scrogging heavily, and some real gain stronging heavily, and some real nasty work was done. But though several men were knocked out for a minute or two, no one was seriously hurt. 'Varsity 'We have noticed some comments in the newspapers in reference to the Fort Erie won by 13 to 1.

CURLING. THE PETROLIA CLUB.

Petrolia, Ont.. October 31.—Last night the Petrolia curling club was reorganized for the coming season. Mr. R. D. Noble. last year's president, occupied the chair, and the attendance was excellent. Mr. Noble made an address on the success of the club last season. He said Petrolia had reason to feel proud of the strong aggregation she possessed. It may not be out of place to state here that Mr. Noble's exthusiasm had much to do with the good enthusiasm had much to do with the good play of 1895-6. He was always ready to do anything that would tend to help Petrolia curlers along, and by his persistent pluck and energy placed our curling club at the top of the western representatives. Following is a list of the officers elected for the present term:

The projectors of the Fort Erie Jockey club studied the matter of location for a new track, and found that there was not any property within eight or ten miles of Buffalo that could be had for a price that we could afford to build a track on. We found we could get property in Canada within three miles of the business centre of Buffalo, at a very reasonable figure, and that the facilities for reaching the property were equally as good as on the Buffalo side, so we decided to locate here. The sudden death of Sarah H. White, wife of Silas W. White, 10th concession, Harwick, is announced on Thursday. Mrs White had been enjoying very fair health, and had attended to her household duties throughout the day, retiring to rest as ed by a deep sigh and hard breathing; then all was still. On investigation it was found that she had breathed her last, caused by a rupture of one of the smaller intestines.

An appeal is being made to the Attorney-General to allow Wm. McComas, of Woodstock, out of gaol on bail. McComas is charged, with Mrs. Gardner, with the murder of William Gardner, and unless bail is allowed he will have to remain in gaol until next spring. Mrs. Gardner's mind is said to be affected. She feels her position in the gaol very keenly, and is the victim of hallucinations. Both the prisoners have the sympathy of the people, a large majority of whom believe that Gardner committed suicide.

The case of the township of Chatham will serve as a warning to municipalities with a penchant for going to law on all possible occasions. In a dispute with the C. P. R. as to the kind of culvert that ought to have been built to accommodate the traffic of the road at a certain point in the township, the municipality decided to fight it out in the courts. The fight has been a costly one for the township. At Osgoode Hall recently Justice Street gave the final order to compel the township to pay over, as a result of the dispute with the railway company, the sum of \$2.212, with interest from 1893, and all the costs of the action. The township has already paid \$2,300 to the railway. The costs will amount to something like \$2,500, bringing the total amount to be paid by the township to about \$7,000.

At a meeting of the dentists of Perth and Huren, held at Mitchell Friday night, these officers were elected:—Hon. Presiis to promote scientific study in the pro-fession, to give help and advice, and to promote good-will among the profession. The next meeting will be held in Strat-
