Earnest Appeal to the Lambton County Council and Citizens Generally.

Lambton County citizens of Canada—The King has called for more men, half a million strong. We owe to our country the best that we possess if we are loyal subjects to our country, King and empire. If not able to go ourselves to the firing line, we are able to do our bit by encouraging our sons, our daughters, to enter the service of the king as soldiers, nurses, etc.; also our money should be one common cause. It is our war. It means just as much for each citizen of Canada as it does in Belgium or Serbia, if we believe in liberty and freedom. God is on our side, let us preach it from the pulpit, in our work-shop; let every employer of labor give a list of eligible men fit for the services to the commander of the 149th

HEALTH WRECKED THROUGH LA GRIPPE

It Generally Leaves the Patient Debilitated and an Easy Victim to Other Diseases

One of the foremost medical writers says: "It is astonishing the number of people who have been crippled in health for years after an attack of la grippe or influenza." The real danger from this disease, which sweeps over Canada every winter, is during convalescence, when the characteristic symptoms, the fever, the catarrh, the headache and the depression of spirits pass away. Grip leaves behind it weakened vital powers, thin blood, impaired digestion and over-sensitive nerves—a condition that makes the system an easy prey to pneumonia, bronchitis, rheumatism, nervous prostration, and even consumption. It is a condition that calls most emphatically for a tonic for the blood. Dr. Williams' Pink Pills are a tonic especially adapted to meet this need as they purify and enrich the blood. They tone up the nerves and give vigor, strength and health to the debilitated system. Mrs. Howard D. Chaffey, Indian Island, N.B., says: "For several winters in succession I was attacked by la grippe which left me weak and badly run down. In each case I used Dr. Williams' Pink Pills with the most beneficial results. Last winter when the trouble was again prevalent I took the precaution of fortifying my system with Dr. Williams' Pink Pills and escaped the trouble, while many of my neighbors were down with it. In fact I enjoyed the best of health all spring and feel sure this medicine will so fortify the system as to prevent the trouble." These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Who Started the War? Yours very sincerely, GEORGE SIMS, 149th Battalion, Sarnia, Ont., Jan. 21, 1916.

Who Started the War?

Have you heard this story? The Crown Prince was having a nice little chat with his father, the Butcher of Potsdam, and apropos of nothing said, "Father, who started this war?" "I know," said his father playfully, "but I won't tell." "Did Cousin George start it?" persisted the youth without a chin. "No!" said Father. "Did Cousin Nicholas?" "No!" said Papa. "Did Francis-Joseph?" "No!" said the Old Man. "Well, who did then?" "I'll tell you! You remember Teddy Roosevelt came out of Central Africa and called on us several years ago, and I showed him our magnificent army; I showed him our great and glorious navy; I showed him the Zepps and the submarines and the gas bags, and Teddy, greatly impressed, slapped me on the back and said: "Bill, my boy, you can lick the world"—And, like a damned fool, I believed him."

The fact that men nominated for and sometimes elected by acclamation to municipal office fail to attend the usual public meetings held to discuss municipal affairs is too often a matter of comment. We frequently in this town find such neglect, exhibiting a want of courtesy to the electorates to say the least, remarks the Ridgetown Dominion, which says: "A peculiar thing about this is that it candidates in towns and villages that avoid the public meetings. In the townships it is a rare occurrence for a candidate to fail to take the platform at least to thank his sponsors and state his intentions. For some reason the farmer, has more nerve" than the townsman, and, as a rule, one hears better speeches at a township than a town public meeting. Is the secret that the farmer is the greater reader? "Miller" man the better posted in the affairs of his municipality?"

New Garage at Bothwell

Reid Bros., of Bothwell, the well known firm who has secured the district agency for the Chevrolet, have just completed a new cement garage at Bothwell. It is a handsome and convenient building 40x40 feet, with large front and rear doors for driving right through. It has large plate glass windows on either side of the front door and sufficient other windows to well light every portion of it. The building has a repair department where a stock of repairs for the Chevrolet will be kept on hand. There is also an apartment for cleaning cars for customers and tourists. A general garage trade catered too, and the most satisfactory service aimed at. Visit our Salesroom and see the handsome new Chevrolet Cars now on display. Jan. 21-16

A Quick Decision

(Petrols Advertiser) Anyone who has seen the men at work cutting through the granolithic walk on Main St. for the hydro cable will admit it is not easy work. This thought also occurred to two of the workmen, Messrs. J. Brooks and O. Perkins. Both men were hard at work on Tuesday afternoon when the recruits marched past. They paused, pondering the cement long enough to watch the soldiers for a few minutes, when one of them remarked to the other that soldiering is a much easier job than pulverizing cement, and at the same time asked the other if he would enlist. "I'm on," said his fellow workman and without more ado both laid down their tools and went into the recruiting office where Capt. Trainer transferred them from hydro-electric employees into soldiers of His Majesty, King George V.
