Wolville Acadian: Mr. and Mrs. Hugh Fowler have gone to Hantsport, where they will occupy the bungalow which they have recently had built for the remainder of the summer.

Mrs. Fowler's sister from New York, with her children will spend the summer with them.

Hants Journal: Mr. and Mrs. Wm. Cropley, Lynn, Mass., spent last week with Mrs. Cropley's sister, Mrs. John Daniels, Martock, and left Saturday for Boston. They have been visiting friends and relatives in Kingston, Port Lorne, Hampton, Margaretsville, Bridgetown and Paradise N. S.

Hants Journal: Rev. C. W. Wright and mother, of Westfield, N. J., and Mr. and Mrs. C. R. Wright, of New York, motored from New York last week and were guests of Mr. and Mrs. R. C. Wright. The trip was completed without a mishap, not even a puncture. The average mileage per day was over 200. The visitors left here on Monday for Halifax, and after reaching here Thursday night will visit at Middleton before returning to the U. S.

Yarmouth Light: Rev. R. M. Jost and Mrs. Jost were agreeably surprised on Tuesday evening when a large number of the members of the Tabernacle Congregational Church met at their home on Lewis Avenue to celebrate with them the 25th anniversary of their marriage. They were presented with a handsome wicker chair and two pieces of cut glass, the presentation speech being made by Mr. J. D. Dennis. A short program of readings, music and speeches were given and refreshments served during the evening. As the guests departed all wished Mr. and Mrs. Jost many more years of wedded happiness.

PROFESSOR HAMILTON'S WONDERFUL CURES

Testimonial of Mrs. Ralph O'Neil of Hampton, N. S.

DEAR SIR:—Feeling confident that my life has been saved by Prof. B. S. Hamilton's skill. I wish to publicly acknowledge it for the benefit of any who should chance to be suffering from the same disease I was. For the past two years I have had poor health by times suffering severely. I have sought the advice, and received treatment from a number of physicians, both in this country and in the United States, but never received any lasting benefit rarely getting temporary relief.

The past winter I spent in the U. S. of America. While there I bloated from head to foot to an unnatural size. When I returned home in March I was congratulated by my friends for being so fleshy (it being unusual for me, naturally being very thin). I knew it was bloated but said nothing. I felt sore and as though I was bruised all over. I continued in that condition until the middle of May, when that bloated condition left me in two days, and very suddenly I took with convulsions. My husband called a very skillful doctor. After a thorough examination he said very little and left. I continued to grow worse, each convulsion leaving me weaker and more paralyzed. My head and nerves were in such a condition I feared losing my reason.

Professor Hamilton was called. He pronounced my trouble an advanced stage of Bright Disease. After one of his treatments I was much easier. I had a few more convulsions, but not as severe as the previous ones. I have continued his treatment for several weeks and am now in better health than I have been for a long time and am gaining every day. Not only over a few different diseases, but does the Prof. exercise his skill, but there are advanced cases of paralysis, asthma, goitre, rheumatism, appendicitis, ulcers of stomach or bowels, varicose veins and many more cases given up as hopeless all being greatly helped and a large majority completely cured.

Strongly recommending Prof. Hamilton to all sick ones, I remain a grateful patient.

MRS. RALPH O'NEILL,
Hampton, N. S.

Six Sales

We have had six sales in Bridgetown this month so far and still have a dozen prospective buyers on hand.

If you have a property for sale, list with us at once. Send for our new free catalog of 125 properties.

But remember that Paint Quality varies

You cannot save the surface with a poor paint—unless you re-paint frequently. That is extravagant—so you naturally seek the paint of utmost durability. Your search for such a paint will lead you ultimately to the pure and permanent

B-H PAINT "ENGLISH" 70% Pure White Lead (Brandram's Genuine B.B.) 30% Pure White Zinc 100% Pure Paint

Its outstanding merit is primarily due to its white base: zinc white and Brandram's Genuine B.B. White Lead, which for two centuries has been the standard white lead of the world. The purest linseed oil (from our own mills) with best turpentine, aids in giving a tough air-tight coat. You cannot prove these high claims until you've used the paint—but you can meanwhile accept as your guide the experience of your neighbors. Ask any man who ever used B-H if it is not true that it goes farthest—and lasts longest. You will find unvarying conviction among experienced paint-users that the quality and durability of this brand are such as to make it the supreme surface-saver. You will probably find in your neighborhood houses painted with B-H long ago that look as if they were painted but recently.
