The vessel arrived at Boston on Tuesday last with a fare of 50,000 lbs. of fresh fish, but being unable to find a market she proceeded to Gloucester where she arrived on Thursday, sold her trip and sailed from there at 11 o'clock on Saturday morning for Yarmouth. Capt. Ross reports good fishing on all of the grounds but finds a decided poor market. After some slight repairs to her engines the Grace & Ruby will again sail for the banks.

## WINTER HARD ON BABY

The winter season is a hard one on the baby. He is more or less confined to stuffy, badly ventilated rooms. It is so often stormy that the mother does not get him out in the fresh air as often as she should. He catches colds which rack his little system; his stomach and bowels get out of order and he becomes peevish and cross. To guard against this the mother should keep a box of Baby's Own Tablets in the house. They regulate the stomach and bowels and break up colds. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## WEDDING ANNIVERSARY

On Saturday evening, January 15th, Mr. and Mrs. F. Clayton Zwicker, of Albany, were "At Home" to about 30 of their friends, the occasion being the thirtieth anniversary of their marriage. ## HOW TO BE HEALTHY DURING THE WINTER

Many Troubles May be Avoided if The Blood is Kept Pure

Do not let your blood get thin this winter. For people who have a tendency towards anaemia, or bloodlessness, winter is a trying season. Lack of exercise, lack of fresh air, and a more restricted diet are among the things that combine to lower the tone of the body and weaken the blood.

The Short Courses this month at the Nova Scotia Agricultural College are attracting widespread attention. In addition to the Farmers Course and the Course provided for women in Home Economics and related subjects, a new and very successful venture, by the way there is being carried on at present a Course for the wives and sisters of soldiers who have recently been settled on the land in the Province. This last is under the auspices of the Soldiers Settlement Board. ## WOMEN'S HIGH BOOTS

(Toronto Star)

A correspondent writes approvingly to a contemporary about the high boots which women wear nowadays, and inquires whether women ever wore such high boots before. Our contemporary didn't answer the question, probably because it cannot be answered. Nobody could tell how high women wore their boots until lately.

## SKIN SUFFERERS READ

"I had a severe attack of Eczema," says Mr. Michael Tapley of Radisson, Sask. "My body was simply covered with eruptions. I had tried every salve and skin soap that money could buy before I hit upon Zam-Buk."

Zam-Buk proved the very treatment I needed. I used Zam-Buk Medical Soap for bathing, and afterwards applied the Zam-Buk balm in liberal quantity. Soothing and comforting, this treatment soon brought amazing improvement. Persistence with Zam-Buk resulted in my skin being completely cured.

Use Zam-Buk for Cuts, Wounds or Sores. Its healing power is astonishing! See all dealers.
